A Catholic Priest Becomes a Baptist.

From the Pittsburg Times, Oct. 16.

Rev. Father John Donnelly, formerly pastor of the Roman Catholic Church, at Meador, Pa., was last night baptized as a member of the Baptist Church.

The Rev. Mr. Donnelly for 15 years has been a Catholic priest. He was born and raised in Western Pennsylvania, and is full and sound and about 40 years of age.

Mr. Donnelly is the priest whose conversion to Protestantism has occasioned so much talk the last two or three years.

British Columbia Letter—No. 3.

SAN FRANCISCO, Cal., 17th Nov., 1887.

Having Vancouver on Monday, Nov. 14, by the new S. S. Premier, on the Puget Sound route, and calling at Port Townsend, Seattle, Tacoma, I arrived in Portland on Wednesday morning.

Portland has a population of about 60,000, and is the first city we come to in Oregon. Although passing through Washington Territory I do not say much about it, as I have been in water in it of the way.

Portland is a beautiful city, and is situated on the banks of the Willamette River. It is a city of about 60,000 people, and is the first city we come to in Oregon.

HANOVER, 10th LINE.

Special to The Warder.

We hear that our esteemed postmaster of Brunswick will be in the field for municipal honors in opposition to Long John. He is a very energetic young man, though getting a little fowly in his looks.

We are glad to see our friend, R. Toombs, back to Franklin, in the grain business, and sorry to hear of his loss in Omeo. Still trade seems to follow him to Franklin from Omeo, which speaks well for him.

EBENEZER—CAYAN. Special to The Warder. Driving on the 12th line of Cavan, was very satisfactory for the first snow on the east side of the Church on 23rd.

Ben, has been exploring for a number of years through North America. A word for McNeill Bros. We feel it our duty to state, those two young men, accompanied by Robert Hargrave, with a new threshing machine, have taken the lead; and never before did threshing give the neighbors such satisfaction.
