CHRISTMAS PRESENTS.—Parents, what is more appropriate for a Christmas present for your boys than a good suit of clothes or an overcoat? and the place to get those is at W. E. GILBERT, as he has the largest assortment of boys' suits and overcoats in Lindsay, 2 doors east of Daily House, Kent-St., Lindsay.—4 1. ONE OF THE saddest occurrences that have taken place in Victoria, was the untimely death of Mr. Silas Smith, of Hartley, at Oran. Mr. Smith attended Lindsay high school last year and then went to Oran Normal school. There he contracted typhoid fever and after a severe illness, died a week ago Friday. With the Ottawa Oran and the Free Press contained very favorable obituary notices of Mr. Smith. He was universally respected both in Victoria and among his students at Oran. He was to have been principal of Hartley school next year. GREAT complaints are being made from Richmond, Fenwick Falls and other points along the Haliburton railway, re the conduct of the train on Saturdays and holidays generally. It is always overcrowded, and travellers, at great personal danger, often have to hang on to the railing of the platform, there being no space in the cars. Last Saturday this train was so overcrowded that the member for North Victoria had to take refuge in the express car and enjoy the full side of a packing box for a cushioned seat. Too often men from the shanties, feeling glorified on reaching civilization, becoming over-imbibed with wine then allow to my lady passenger unfortunate enough to be on board, notwithstanding the strenuous exertions of Conductor Fry to maintain order. The result will be that lady passengers will become more and more reluctant to travel by rail unless the railway company provides better accommodation, especially on such occasions as above mentioned. Now many men to escape the so-called first class would ride in the express car, the tender, or on the conductor.

Miss Eaton has come for a few weeks from college. Miss Westwell is home from college for the holidays. James Bell, of Dundas, is home from Toronto. Emily Westwell has been visiting Belleville friends. Mr. Greening, of Hamilton, is a grand lodge group leader. Mrs. John Givens, of Little Britain, is on a visit to friends in Oran. Mr. and Mrs. F. J. of Bonnaville, are visiting Mr. J. B. Knowlton. W. and Mrs. Wm. Thorton, of Millbrook, spent Xmas with Lindsay relatives. THE WEEKLY EMPLOYE and THE WARDER for 1888, for \$1.00. Send in orders. Mr. John Hamilton, of Port Severn, is down on a visit to Lindsay and Lindsay friends. A number from Tyrone in destination, per se coming to Hartley River, after holidays. THE DAILY WARDER and THE WARDER for 1888, for \$2.00. Send in orders. MR. ESTER THORPE will attend Ottawa Normal school next session. Success awaits her. \$1.00 says for THE WARDER and the Weekly Empire, to the end of 1888. Subscriptions at once. Mr. Jack McMillan is visiting the heart of the boys for a few days. Toronto seems to favor him. Also for Vice President Keith, four is up. Sootheran, Cathro and Mark are recognizing in their old stand. Mr. G. W. Stephens of Linton, Ill for some months, is gradually regaining health. He visited Lindsay friends last Saturday. Mr. William Peel, one of Oran's most intelligent and successful citizens, visited Lindsay last Saturday. Miss George is celebrating the parental home during the holidays. She returns to Toronto after New Year's. Parents and scholars are reminded that next Sunday, the monthly missionary collection will be taken up in the school. There will be held a watchnight service on Saturday evening, in the Methodist Church, beginning at 10:45 o'clock. W. J. Graham Esq., master of Brantford C. H. League, is on his semi-annual visit among Lindsay friends. Subscriptions at once secure "The Weekly Empire" with the VICTORIA WARDER, for only \$1.00 each. Our old friend and boon companion, Mr. T. A. Preston, of Mount Abino, Westworth County, is visiting friends in this district. It is all clear now why Thomas took on a tramp-like appearance for a spell. That dollar collection, but better not give it away. The case, Young vs. Magistrates Clark and Cameron, was decided in favor of Mrs. Young. It arose from an illegal seizure of property. The Citizens' Band gave a very successful concert at Haliburton, on Wednesday night last. Proceeds more than they anticipated. Clubs and cards are dangerous. The best remedy is Grayson's extra of aniseed. I is pleasant to take and very effective.—9 3. A meeting of the Central Charity Committee will be held in the Mechanics' Institute on Friday next, Jan. 6th, at 4 o'clock p.m. Much credit is due to Mr. Wm. Miller, for his success in building a new hall tower. It is a great improvement over the old place. Old St. Paul's Church is being converted into a school building. It will be open under the auspices of the Citizens' Band on New Year's. Miss Annie Lorrain, accompanied by her uncle Mr. Roby, of town, spent Christmas with her father, who is lying very ill in the city. Mr. Dan McMillan, principal of Lorneville Normal school, spent a few days in town recently. He successfully passed the recent examination at Oran. The Liberal-Conservative side of the Walters family takes no back seat, to the right wing thereof. Two fine, "fancy" boys, are Tom and Harry. The anniversary services of the opening of St. Andrew's Church, will be held on Sunday, 22nd January, the day preceding the date of the annual business meeting. Persons having rooms for boarders would do well to give their names and addresses to Headmaster Harwood. The new high school students will be coming in soon. Mayor of Lindsay for 1888, Thos. Walters, re-elected by acclamation. Visions of M. P. at the end of his name will soon begin to haunt Thomas's pillow. Mr. D. McEwen, now in a Toronto hotel, safe home, was home for Xmas dinner. It is a good sign of a young man to seek home joy at such times. Mr. W. F. Broad, V.S. of Oran, will kindly accept THE WARDER'S congratulations on his becoming a full graduate of the Veterinary College, Toronto. Mr. Brown, teacher during 1887, at Grass Hill, purposes continuing his education for a first class certificate. He will probably favor Lindsay College Institute. Robert Evans Esq., requests us to state that he finds it impossible to answer all the electors, and therefore, will be pleased to have them press his card in another column. Mr. Beall's company played in town last week, and played before their audiences very cheerfully and to the satisfaction of all. Beall himself is a very successful actor. Mr. Robert Dean, teacher of Oran, has been on a tour among Hartley, Lindsay, and Glenora, to foster friends during the holidays. Mr. Dean like all teachers, is always a welcome guest at THE WARDER'S dinner. Nell McEwen Esq., B.A. of Toronto College Institute, and Mr. D. McEwen, late principal of Brantford Normal school, spent Tuesday in Lindsay. They are enjoying holidays with Mr. McEwen, near Woodville. The children's tea of the Baptist Church on Wednesday eve, was successful. Every person enjoyed the tea, and the programme was rendered in first class order. The whole evening's entertainment was a credit to the school.

MR. HARRIS and Clark, principal of George street school, Lindsay, and W. J. McMillan, late master here, were the guests of Mr. J. B. Knowlton, on guests with old Toronto friends in town. Mr. and Mrs. John D. Parvill, have the sympathy of the entire community in the loss of their only son, a bright little fellow of three summers. Information carried him away. Mr. John McEwen, honorary secretary of the Lindsay School Association of Ontario, lectured last Tuesday evening, to the Lindsay school Teachers' Association of Lindsay. It was a fine address. Mr. and Mrs. Hopper of Toronto are guests with Mr. and Mrs. Wright, Mr. Hopper returned this week, he being architect of the new \$25,000 Lorneville school in Toronto, as well as of other large works. The Port Hope Times suggests that Mr. Wm. Stewart, of Little Britain, may have had a very suggestive object in presenting THE WARDER with the beautiful hand-colored photograph to last week. He had, and now that the Times mentions it we reluctantly make it public. It was meant to tempt Port Hope. Our thanks are tendered Mr. George Stirling, the leading piano organ and music dealer of Toronto, for a copy of the new book of "College Songs" issued by University College, Toronto. Already several of Lindsay's male pupils are compared with the collection, and Mr. Stirling may count on several orders from here. We noted and passed in number and saw what our eyes did there behind, And noted in silence at all we saw, The half can never be told, about the beautiful photographs we saw at Fowler and Co's gallery. They have beautiful colored scenery. Call on them and see the just across from the Daily House, Kent-St., Lindsay.—5 1. FENNEL FALLS. Special to THE WARDER. Rev. Dr. Brodie delivered his lecture, "Ireland and the Irish," in the Methodist church last Monday night. A large and pleased audience attended. The old school and the School Board are re-elected by acclamation. STOCK TAKING SALE.—Bargain! Bargain! Five bargains in dry goods and clothing. For 30 days, at HUGH McDONNELL'S.—6 1. SALMON OPS. Special to THE WARDER. Messrs. Wesley Moore, and Charles Peel, had a great fox hunt last week. With guns and hounds reward was poured to and from Reuben, to be shot at last by Messrs. C. Hartley and J. Patton. The younger men, however, did not get their fox chase. Mr. E. S. West, late of Winnipeg, has been visiting Mr. Griffin here. RUMOUR says, our esteemed friend Mr. A. Peel, is about taking an important step in life. WHAT takes Billy to town so often? Where is "Old Dick"? WEST OPS. Special to THE WARDER. ADDRESS AND PRESENTATION.—One of the most interesting occurrences in West Ops during the Christmas holidays, was an address and presentation made by the pupils of section No. 4, Ops, to their teacher, Mr. W. F. O'Boyle, and his wife, to which he became the recipient of a valuable gold chain and pencil-case and Mrs. O'Boyle that of a beautiful enameled silver sugar-bowl. Mr. O'Boyle, who has been our teacher during the past school year, resigned here in 1886 on the following testifies to the manner in which he has endeavored himself to his pupils, and to the high esteem in which himself and family are held by the people of the section. As it usual on such occasions, the pupils recited a number of verses, the most successful admirably in doing so, as the matter was unknown to him till "Xmas Eve," when he and Mrs. O'Boyle were invited to the school room where a number of the pupils and young ladies and gentlemen of the section had just assembled. The following address was then read by Miss Nellie Connolly: To Mr and Mrs O'Boyle.—We, the pupils of S. N. 4 Ops, respectfully beg this evening to pay our tribute of affection to one who has so nobly and selflessly labored for our good and our parents and children during the several years he has been our teacher. Our coming here this evening is, in our view, a very pleasing one, as we come with our hearts, knowing we have to utter that small but significant word "Good Bye," which can scarcely be uttered without a tear. Please accept this chain and pencil-case as a slight remembrance of us, your young children; nor can we allow this parting gift to pass, without expressing our kind wishes for Mrs. O'Boyle, and hope she will accept this piece of silver as a memento of our love. We cordially bid adieu to you, the commitments of this festive season and every success to your future undertakings. Signed for the pupils: S. N. 4 MESSRS. GRAHAM, LEITCH, CHURCHILL, KATIE FITZPATRICK. Mr. O'Boyle who was visibly affected, spoke as follows:—DEAR PUPILS.—I was told that on some occasions even able speakers are so overcome by their emotions, as to be unable to give expression to their feelings. If such be the case with noted speakers, I who have no claim on your affection, may well be excused on this occasion for being unable to expand in fitting terms to your flattering address or to express my thanks for the valuable presents so kindly presented to me. The time spent among you as teacher seems to me a very short one, owing, no doubt, to the harmony that always existed among you whether at study or at play, and to your cheerful and prompt obedience to me as your teacher. I was very much affected by your tears at the close of the presentation on Wednesday, and indeed, sufficient proof of your kind affection for me, if proof were needed, is now your generous promptness to add this substantial proof of your gratitude as well as for the references made to Mrs. O'Boyle, who I thank you heartily for the same, and for the kind attention after which the party bid Mr. and Mrs. O'Boyle a fond farewell. Keep in Good Humor. This injunction applies not only to the mental but the physical welfare. Salt-rheum, eczema, and all obnoxious humors of the blood are perfectly curable by Barwick Blood Purifier.—4 5. Tea Tasting and Tea Tasting. Respectfully invites a tea party to be applied to a line of Japan Teas that will be sold at 25 cents per lb. or 5 lbs. for \$1 and further reduced by the choice. Now, honestly, this is extra good value in Tea. Call and see for yourself. I do not wish to see you any more. I am convinced your judgment will dictate the advantage of purchasing a quantity at reduced prices. Specimens of the above are on hand. Send your order to Wm. McEwen, 25 Kent Street, west, Lindsay.
