considering that the former memorial, moved by Mr. Niven, seconded by Mr. Hartley, that William Gaiter, Esq., be warden of the county for the year 1888.—Carried.

The Warden then appointed G. T. West, Esq., as the other auditor.

Moved by Mr. McCall, seconded by Mr. Hartley, that a by-law be passed appointing V. A. Fielding, Esq., and G. T. West, Esq., auditors, and that they be sworn a few days hence.—Carried.

By-law No. 109, containing the appointment of auditors passed through its several readings, was signed and had the corporate seal attached.

The Warden then called on Dr. Carey, who was present for the annual report as Public School Inspector.

Dr. Carey then addressed the council, giving a general report of the schools in the county, and concluded by urging upon the council the necessity of providing proper training for teachers, as the matter now stood.

He said the children were placed in the hands of inexperienced recruits, who, whatever their knowledge or zeal may be, have no comprehension of methods of teaching.

He thought a model school should be established in the county, and that the best communication be maintained with Mr. Kelly, Inspector of model schools on the subject and what he suggested from him he was of opinion that the regulations respecting model schools may be so modified that one suitable to the needs of this county might be established.

Moved by Mr. Gaiter, seconded by Mr. Devon, that the County School Inspector's report be adopted, as said report is very satisfactory to the council.—Carried.

Moved by Mr. Niven, seconded by Mr. Graham, that the warden, the warden of Snowdon, Anson, and the mover be a committee to report on all correspondence received to the council.—Carried.

Moved by Mr. Niven, seconded by Mr. Hamilton, that the warden, the warden of Anson, Lutterworth, and the mover be a finance committee for the present year.—Carried.

old friend Froham consented to enter a caveat.

With suitable proposals Mr. Harrow induced the barkeeper to mix up a quantity of brandy and to surreptitiously insert a portion of a pint of Harrow's brandy.

Mr. Froham drank innocent of what he was partaking in. He drank another. Then another. Then another. Time was obliterated. Fast memories were effaced. Fifteen years' missionary work were wiped out in fifteen minutes.

Froham was a Williamson's rouser again. He emptied a tumbler, and he howled and booted and danced like a Comanche Indian.

"A nice New Year's Day for you," said Judge Duffy. "Ten dollars or ten days."

School Notes.—Forty public school, senior department. Fourth class at examination.—History of the early Vermonts. Mr. Ryley, Gt. Britain 54, John Currier 55, Jan. Kennedy 54, Harriet Graham 54, Joe Morrison 55, Edna E. Parker 54, Hotel E. Ryley 54, Albert Morrison 10. John H. Conner, teacher.

General News Notes.—Herald in Orono. Diphtheria in Colvidge. Another carnival at Coldwater. Alliston has lost an old resident. More Scotch Act done in Berwick. Orlino wants Horticultural Society. A fire in Peterboro on Saturday night. Orange concert in Orono, February 9th.

What about Orono winter races?—Herald. The Belleville water works are a grand success. Midland now wants a grain elevator. Thirty degrees below zero in Orlino last week. Post Ferry is hankering after snow shoes club. A few cases of diphtheria are reported in Whitney. Ditch sidewalks are proving a success in Chatham.

The electric light in Orono is giving general satisfaction. The carnival at Port Hope on the 29th was a complete success. A bonus to the Tottenham foundry is talked of.—Alliston Herald. Whittier Curling Club was defeated at Bowmanville by 17 points.

A boys' brigade of the Y.M.C.A. is to be established in Port Hope. Widows are very generous in the vicinity of Melancthon Station. The snow at Orlino this year is likely to be the best ever laid. A new iron bridge at Masford has been completed and opened for traffic. Peterboro has a snowshoe club now, with F. H. Dobbins as president. Francis Duval's house was consumed by fire on Tuesday 17th, forenoon. There was a workman's oyster supper at Easton's Corners last Friday eve. Grand carnival in Peterboro on the 27th, which will probably be the best of the season. There were in Peterboro, 463 police court cases in 1887 as compared with 457 in 1886. Nearly 200 students are now enrolled at the Canadian business college at Chatham.

The roof of the Tottenham rink fell in Friday, 18th. No one was in the building at the time. An attempt was made on Saturday night, to burglarize the residence of Mrs. Sutherland, of Peterboro. The figures of this year 1888 resemble three big girls and a dude, as they spread themselves across a pavement on a fine afternoon. On Thursday and Friday, the 2nd and 3rd of Feb., the tenth annual meeting of the Peterboro driving association, will take place on the Little Lake mill race track. As a result of the investigation into the charges against Scott Act magistrate Partridge, of Simcoe county, the Ontario government have cancelled his commission.

The Y.M.C.A. Gymnasium at Port Hope is now complete, and will in the future be open only to members of the association and their friends. The Y.M.C.A. will celebrate their twenty first anniversary on Wednesday, 8th Feb. Speeches and music will be the order of the evening. Croup, whooping cough, sore throat, sudden cold, and the lung troubles peculiar to children, are easily controlled by promptly administering Ayer's Cherry Pectoral. This remedy is safe to take and certain in its action.—11-1.

Open to question.—The mouth of an inquisitive person. A timely prevention.—To prevent croup, diphtheria, and other ailments, keep the blood pure with Burdock Blood Purifier. Remember that prevention is better than cure.—11-2.

NATIONAL PILLS are the favorite purgative and anti-bilious medicine; they are mild and thorough.—5.

To Clerk, "Did you ever realize anything in the German letter?" "Yes, sir, I tried five times and realized that I was an idiot."

Important to Working Men.—Attains, mechanics and laboring men are liable to sudden accidents and injuries, as well as painful and lame joints. To all this trouble we would recommend Hayward's Yellow Oil, the handy and reliable pain cure for outward or internal use.—11-2.

In December last year, two women were fighting in Montreal, when an old man named Amblee Mower interfered with the result that one of them bit his hand. Two weeks ago, Mower was delighted to see his dear old friend, and despite his advanced age, he insisted on having a drink. Mower, apologizing for his covering his hand, refused and explained why. Mower suggested that his rooms were in an insanitary condition of human filth, and that water that could have washed out the filth would have washed the feeling of his
