On Friday evening, there was a good attraction at the Regliets church, to listen to the Rev. W. W. Smith, who gave a very interesting address on Bible Society work. EUFED BY CULICUES

My disease (prortusts) first broke out on my left cheek, spreading aerose my mose, and simod covering my fale. It ran into my cyce, and the physician was sireld I would loose my cyceight altogether. It spread all over my bead, and my hair all fell out, until I was entirely baid-headed; it then broke out on my arms and shoulders, until my arms were just one sore. It covered my entire body, my face, head and shoulders being the worst. The white seabs full constantly from my head, shoulders and arms; the skin would thicken and be red and very itchy, and would orest and bleed if seratched. After spending many hundreds of dollars, I was pronounced mourable. I heard of the Curtouax Ranousus, and after using two bottles Curtouax Ranousur, I could see a change; and after I had taken four bottles, I was almost cured and when I had used at bottles of Curtouax Ranousus, and one cake of Curtoux and one one of Curtoux and one cake of Curtoux Soar, I was cured of the dreastful disease from which I had suffered for five years. I thought the disease would lave a very deep sour, but the Curtoux Ranous with a pen what I suffered before using the Curtoux Ranous Ranous such as good as ever, and so is my openight.
