## OAKWOOD.

*Special to the Wader.*  
The Oregon's birth-day was right royally celebrated here by the Woodward church in one of the best tea-parties and entertainments ever held in this place. It is estimated there were over 100 people present. Miss Alice Wall, who was so delighted by Miss Cuthie of Toronto, met the highest expectations of the people, who so heartily enjoyed her singing and to which she gave every evidence of her great ability. She also Mr. Church of Lindsay was highly appreciated. There was a packed house on Sabbath evening, and the pastor Rev. Jas. Curtis and wife were honored with several solo by Miss Wall. The proceeds amounted to \$15.

## MANSE ROYAL, KEDON.

*Special to the Wader.*  
The grand opening of the new presbyterian church will be held Tuesday, June 8th, with the usual exercises. Several prominent gentlemen of the district will be present to address the audience, the parliamentary candidates for the local House and the District members Mr. Carson are expected to be present. A social will be given in connection with this meeting, and the day will be full of the proceedings. The fee will be saved from 4 p.m. to 6 p.m. Admission from 8c. to 20c., no fixed price. Proceeds to go to the building fund. Let there be a good turnout of all.

## REAGHORN.

*Special to the Wader.*  
Miss Edith Herbert has paid her home a short visit. The friend gives her a hearty welcome, she has returned to Toronto again. It is hoped when she comes again she will stop some time with her friends.

Mr. Frank Culver, who has been very ill for the last few weeks, has gone to Toronto hospital. It is to be hoped he will soon be home in good health.

Reagan's factory is in full blast. Mr. George has fitted it up in the very best order. It is to be hoped he will have a good season after going to such expense to try and get the farmers the highest price for their cheese. Farmers and your milk to the factory and do not kill your wives and daughters. We are sure Mr. Reagan will give good satisfaction.

## PEASANT VALLEY, PENELON.

*Special to the Wader.*

Two horses are through weeding in this locality. The crops are rather backward on account of the cold weather. The fall wheat has come out looking well.

Wheat, oats, barley, rye, etc., are in the winter. This winter has suffered considerably from the frost, and the hay crop promises light this season of harvest.

Mr. Dan McNevin has returned home from the North West. He is in fine shape and perhaps will be back the country this season as we have no sign him yet.

One horse will be here soon engaged playing again good racing, and we expect they will do some good playing, as they will be able to play some of the neighboring clubs before long.

## OMYBEE.

*Special to the Wader.*  
QUEEN'S BIRTHDAY, OMACHEM. Every good loyal citizen has contributed towards the celebration. I am disappointed at what they subscribed, although some of our wealthy citizens could do nothing in it and failed to assist. The days proceedings began with a cricket match, Omacheam Indians vs. Bathway, resulting in a victory for the visitors, followed by a base ball match, Lindsay Athletes vs. a scratch Omacheam team, who did not pretend to know the game very well, but succeeded in making it more interesting than the visitors expected. Meers, Strachan, Stevenson, Murray, and Swaine played well for Omacheam. The afternoon sports, which were tormented by the rain, but the prizes were all kindly awarded for. The streets were lined with spectators from Lindsay, as well as neighboring townships, including Manuels and Ops. The band concert in the evening was largely attended and proved one of the leading attractions. Dr. Cornwell, reeve, performed the duties of chairman in his most happy style. The singing of Miss Connell of Lindsay, was well received by those competent to appreciate a well cultivated voice. "Contre alle," Mrs. Sandy, Omacheam, never was in better voice and her selections chosen were better calculated to meet the tastes of a mixed audience. Moss, Cowell and Williamson brought down the house in their comic songs. The chorus by the company were well rendered. The military pantomime and tableau under the British flag produced by a local company of thirteen ladies and thirteen gentlemen, under the direction of Mr. Swaine, teacher, was acknowledged to be the most attractive feature on the outside of the cities or large towns. Active rehearsal has been going on for the last month. All the British nationalities were represented in brilliant costumes and the ladies spared no time or expense in securing the most appropriate costumes. The marching and manœuvres were well executed to the music supplied by Dr. J. D. Thompson, folk band, and H. W. Sherman, bugle band, and band, accompanied by Miss Jessie Williamson, and Miss McGregor, Lindsay, made a mark as a mouth organ solo. Everyone who attended went away well pleased, and Omacheam has earned a reputation to make this the starting point for the future 3rd May celebration in this county. Much credit is due to the members of the band and Mrs. Joseph T. Beatty who showed himself most zealous and pains-taking in the preparation of the whole proceedings.

COUNCIL. Elections are quiet here and nothing exciting on either side. East Victoria is always looked on as safe.

The Lindsay authorities and guardians of the base ball club should see that better behaviour and language is cultivated before allowing them to make another exhibition of themselves in "profane swearing."

Our correspondent must have been misinformed in regard to the base ball match and the swearing. The Lindsay Athletes are composed of boys not over sixteen years of age, while they say the club opposed to them was composed of young men. Acknowledge your defeat graciously and hope for better luck next time.—ED. WADER.

No. 8 COMPANY, Sixth Battalion, are enrolling at the location of the camp. There are quite a few recruits.
