It is said that this report has reached Lindsay. Well, some person must have carried it. It had not strength enough to walk or flee there itself and so person must have wanted this poor face to secure sympathy in the shape of alms. I am sure that the people deserve credit for the assistance rendered. Men and women could not work harder than they did in the face of danger. It is really surprising to see the amount of goods, saved and now in possession by the people, as the fire only lasted about two hours. A DEFINITION.—
"And what is shame!" I asked a hoary eage.
He grimly smiled nor paused to ponder long,
But gruffly answered, "Shame, my son, is what
We mortals feel whene'er our friends do wrong.
