FRANKLIN.

We had a fall of the beautiful on Saturday, but the weather previous to that was so fine that it enabled the farmers to get through with their ploughing.

GRAIN is coming in here freely now. I. Hadden is shipping large quantities of wheat to Toronto.

It is said that service in the Methodist church is going to be resumed again, something that was not expected before the next conference.

MR. OGDON Hadden is fast recovering from his long sickness. Mr. W. Falls has also got his building finishing which adds greatly to the appearance of his place.

LAST week several loads of deer passed here going south. The hunters have done well this season.

MR. THOMAS Dugan is home from the Manitoulin Islands, where he made things all summer. Tom is in the favor of the pretty girls. They are glad to see him.

JANET ALLEN.

BUILDING.—A new shed is being erected at the Methodist church to replace the one that was blown down by last summer's storm.

SICKNESS.—Our village is afflicted just now with sickness. Mr. John Anderson and wife are both afflicted, and very little hope is of the recovery of the former.

MR. OGDON Hadden is fast recovering from his long sickness. Mr. W. Falls has also got his building finishing which adds greatly to the appearance of his place.

For God and Home and Native Land.

From Josiah Allen's Wife.

In giving the world a large piece of his mind on the subject of Home, 'Josiah Allen's Wife' asks the following questions...

THE WEATHER last week got so cold and frosty that it put a stop to the farmers ploughing more this season...
