There is a fine and a very good collection of the composition which should be read at once, both from the musical and the patriotic standpoint. It ought to be given into the hands of our children and take a place in the schools with "The Star Spangled Banner." The words and music were written by Mr. E. G. Nelson of St. John N. B., in connection with the movement for holding the Canadian flag on the celebration of the Dominion. In order to put it within the reach of all, the Warder places the price at 10 cts, and has put the copy on sale by all newsdealers.

**A SERIES** of surprise parties occurred at the house of a gentleman not wholly unconnected with one of the educational institutions situated on the road between here and Beaverton. It appears that several persons, hearing a rumor to the effect that he had an addition to his family, visited the house in order to welcome the little stranger, when they were severely conducted to the comfortable arranged bed of a small pop. Their feelings could be described, but the contract would be too large.

They offer the latest novelties in flowers, bulbs, vegetable and field seeds, amongst the best we notice Steele's White Cave oats, as these we notice Steele's Campbell's New White Chief spring wheat, which is so highly recommended by the Experimental Farm, Ottawa. Thoroughbred White Flint corn, highly spoken of by "The New York Times," and which yields 50 tons of English per acre; they will for only 25 cents send post-paid 1 lb. of the above oats, or wheat, or corn, or 1 lb. potatoes and a copy of the catalogue. **APOLOGY TO MR. H. B. DEAN.**—We regret having published the statements reflecting upon Mr. H. B. Dean in a paragraph published in this paper on the 2nd January inst., and we unreservedly retract the same as we find on enquiry they are not a fair or correct account of the proceedings in the case in which Mr. Dean acted as counsel, and that there is no foundation whatever for the insinuation that he collected any costs and failed to pay the same.

**SKATERS.**—On Friday evening a party of skaters, numbering about twenty, came to town to enjoy the pleasure of the Lindsay rink. Among the gentlemen present were Mr. Charles Berny, Mr. Weldon and Mr. C. H. Drenwood. Miss Clarke and other lady friends being in the company. **THANKS.**—Lindsay, Jan. 5th, 1891. Mr. S. H. Brown, Editor VICTORIA WARDER.—DEAR SIR.—We, the members of the Women's Christian Temperance Union of Lindsay, now in session, desire to convey to you our sincere thanks for the kind and generous assistance of your organization in this town, for the last two years, so much space in your valuable paper, and now ask you to please accept of some of those who are doing you service the same. Believing that so doing you serve the highest interests of our community and country, and sincerely hoping that you will have a rich reward in your own heart and life, we are sincerely yours, in behalf of the Union, ELIZA B. WELDON, Cor. Sec. W.C.T.U.

**MR. BROWN,** Esq., clerk and treasurer of the Haliburton, spent Saturday in Lindsay. He believes the farmers of Haliburton will in a short time be fully wedded to the cattle, sheep and dairy business. No land, Mr. Brown says, could be better adapted than is Haliburton for those industries. Rich, sweet butter, pure water, good feed, and good winter food is plentiful, and as soon as the farmers get well established in these various lines then will the generally considered barren regions of the north put to shame more pretentious districts. Indeed the chattel and land mortgage indebtedness of Haliburton compared with the assessed value, is low compared with richer localities.

**CORRUPTION IN ARISTOCRATIC CIRCLES.**—Lindsay, 14th January, 1890. To the editor of THE WARDER. Sir.—I beg leave to draw your attention to the fact that among those who profess to be high and aristocratic standing in this town may be found practices disgraceful to civilization. Gambling, and other immoralities, and other things of the same nature, are being carried on in this town, and I submit you the names and the offences of some of them. I also send you some, which is guaranteed of good faith. I shall call on you or meet you at any time you choose and give you all particular and satisfactory evidence from those who profess to be of the same nature. The people of Lindsay know little of those who move among them as aristocratic circles, and are thus the "sufferers," and who pretend to be of the same nature. Yours,

**THE** absence of Mr. Hughes, who is away on business connected with the sale of his property, comment on the above letter is deferred for the present.

**"QUEEN'S REVENGE."**—This was the name of a magnificent drama which introduced the Belle Stevenson Co. to a large audience on Monday evening last. Miss Belle Stevenson is the character of Mrs. McEldon carried on by her own first with her magnetic presence as the blind woman brought forth from the tomb. The part of Solomon Isaacs the Jew by Harry C. Todd was one of the best pieces of comedy and character acting introduced for some time. Miss Tidy was a capital villain. J. A. Rowland as Sir Frederick was excellent. The success of the company was due to the excellent singing of Miss Belle Stevenson and excellent singing of Miss Belle Stevenson and excellent singing of Miss Belle Stevenson.

**THE CANADA PRESBYTERIAN,** a large sixteen page family paper, published every Wednesday, has not been before the public for almost twenty years. During that time it has secured for itself the confidence and esteem of thousands of readers in every Province in the Dominion. It is now in its twentieth volume. All the departments there were will be continued; and a series of able articles on the paper valuable in the past will be continued; and a series of able articles on the striking religious questions of the day, by prominent writers in Europe and America, will form a special feature the present year. Kozanum, whose very papers have been so attractive a feature in the past, continues to edit the paper; and the list of Canadian contributors has been greatly increased. It will be the constant aim of the conductors of The Canada Presbyterian to make it a welcome visitor to the family circle; and in its comprehensive pages old and young will ever find a hearty, pure and profitable reading. The Canada Presbyterian, in its changed form, is the same as in Harper's Weekly, and one of the largest journals of the kind on the continent.

**LINDSAY SKATING CLUB.**—A feature of the Grand Concert at the skating rink on Friday (the evening), will be the Grand March, to commence at 8:30 o'clock. Admission as usual.—31-17.

**ENTRANCE EXAMINATIONS.**—The education department has confirmed the admission of candidates by the local examiners at Oakwood, Fenelon Falls, Kirkfield and Belleville examinations.

**MR. J. S. MCCARTY,** despite the cold weather, is pushing ahead rapidly with his new hotel building opposite the market with some of the best mechanics in town working for him. He intends to have the building ready for occupation early in the spring.

**SERVICES OF THE QUEEN'S** Methodist church next Sunday conducted by the pastor, Rev. Geo. W. Dewey. Morning subject—"The trust committed to us." Evening subject—"Cheer up the despondent." Mr. Dewey will also preach at Beaverton in the afternoon.

**CARNIVAL.**—A grand masquerade carnival will be held in the skating rink on Friday, 23rd inst., when handsome and valuable prizes will be given, for full particulars of which see large posters. The Citizens' Band will be in attendance. Carnival will be opened at 7:30 o'clock by a grand march. The management are determined to make this carnival the event of the season.

**INSTALLATION.**—At the last regular meeting of Home Circle No. 34, the following officers were installed for the ensuing year:—Wm. Galbraith, P. L.; John Kelley, L.; Joseph Brown, V. L.; Sheriff McLennan, R. S. and Treas.; Geo. A. Metherell, F. S.; Mrs. Makins; Chap.; Geo. Matchett, M.; Mrs. Truss, W.; Joa. Rickaby, G.; Jas. Chambers, S. This circle is in a flourishing condition as is the order in Canada. Number of calls for the year 1890 being only seven, being only \$14.75 an insurance of \$2000 for one 49 years of age.

**TWO-ROVED BARLEY** SEED PRICES.—Considerable doubt exists among those who grow two-rovod barley last year as to what prices they should ask this year for the seed. It cost them \$2 per bushel last spring. Several with whom we spoke are asking and readily getting \$1.25 for 56 lbs. That is reasonable enough. Further, farmers would do well not to sow more than a bushel and a gallon or even less per acre. Elsewhere a gallon or more of seed is known to have the seed for sale, grown from Government seed. Other names will be added if sent in certified.

**OPERA HOUSE,** one solid week. Commencing Monday, Jan. 19th, in Bartley Campbell's 5 act drama "Fate."

**STEVENSON DRAMATIC COMPANY.**—The following is the program for the evening of Monday, Jan. 14th:—"This very popular company closed a week of big business on Saturday, on which occasion the citizens presented Miss Belle Stevenson with a beautiful dressing case of oxidized silver. The presentation was made by Mr. Tuthope at the end of the last act of "Fate." The young lady was taken completely by surprise. Her father, Mr. J. Stevenson, expressed his appreciation of the gift by presenting her with a new opera glass. The opera glass was packed to the doors, and the applause which greeted her was inadequate to express the appreciation with which the audience regarded her talents. The company is under the management of Chas. Lindsay and is playing next to big houses." This is a season of one week, in the Opera House, on Monday next, 19th inst., in the five act drama "Fate." See notices elsewhere in this paper.
