ANY PERSON in the vicinity of the College Institute last Thursday evening, 15th inst., might have wondered where the loud and prolonged cheers came from, and on enquiring would have learned that it was a meeting which will not soon be forgotten by the students, it being the election of officers for the Literary Society. The nominations were held on Wednesday, thus giving all candidates for the various and important offices a day in which to do their canvassing. At 4.10 the room was crowded and the meeting was called to order by the president, after which the business of the evening commenced. After the ballots were counted the following were declared elected for the ensuing term:—President, E. A. Hardy B.A., by acclamation; Vice-Pres., A. H. Grant; secretary, A. Clarke; treasurer, A. E. Bryson. Executive committee, Misses H. Hill and E. Watson, and Messrs. J. D. Frost, W. J. Ritchie and F. Gillies. Speeches by the newly elected officers followed, in which all expressed their determination in making the Glee Club of 1891 a great success and a model for others to follow. The meeting then adjourned. One of the most interesting and noteworthy features of the evening was the rendition of a chorus by the members of Glee club which received tremendous applause.

IN REGARD TO THE ITEM in last week's WARDER, headed "Apology to H. B. Dean," we beg to say we never either saw or heard of the article until last Sunday, we being away last week. Those who thought it to be a doctored item meant well; but there was no need of uneasiness. Mr. Malton still affirms as do others that THE WARDER'S report was correct. We were not present and merely verified the report by a single, great, unbroken smile. That the costs were, subsequent to Mr. Malton's denials, paid to his solicitors by Mr. Dean does not contradict THE WARDER'S report. Mr. Malton did not know it, he having given up smoking.

ANNUAL CLEARING SALE.

SALE.

IT IS BUT

30 DAYS

Till the Carpenters, Masons and Plasterers will be overhauling the CITY STORE to make the premises ready for our removal there.

During the intervening time we must sell as much as can possibly be disposed of, and we would say if you have not bought your Winter Overcoat, we would ask you to look at our \$4 Ulsters (Tweed lined.)

If something more dressy is required put your tragic form into one of our

\$5 WORSTEDS.

You will find there is a decided break in all prices of clothing which embrace Men's, Boys' and Youths' Suits, Pants and Overcoats.

We have about 12 Fur Coats in Men's, about 8 Ladies' Astrachan Mantles and about 3 dozen Men's Fur Caps, which we are going to make every effort to dispose of. Profit is not the consideration with these goods; turning them into Cash is of more consequence.

We have been talking of Men's Wear. We will now turn to the side of the house, which is devoted to the Ladies' Wear.

We have noticed in other years during the month of January there is a larger percentage of wedding outfits bought in and around the vicinity of Lindsay than in any other period of the year. To meet this increasing demand we have decided to place our large stock of

Silks, Satins, and Fine Dress Goods

at prices that will make these goods come within the reach of the most careful buyer.

IT IS SURPRISING THE

MANTLES AND MANTLE CLOTHS

We are still selling. We still have a very nice stock to select from which will be offered along with some handsome pieces of Sealette at about one third less than ordinary prices.

We have the facility for making Sealette Mantles up in a very handsome style. Orders left for Sealette Caps, Muff Collars, or Mitts will receive prompt attention.

Remember, Everything is Money

During this month, and Lindsay's Leader of Low Cash Prices has never been undersold yet. He leads the van still, and for everything in Dry Goods that you will require visit us in the next Thirty Days.
