Frenche Fishing has got to be a great "po" on our lake now, Six fish houses in alphit. Fine harvest for the inspector if he impressed along. One man fishes on the Sabinth day. No ourse only lynch law, "Reference or a number of parties that make a habit of tying their horses at the church sinch behind outlers or light afful rigs, and the horses have rained the making of one outler beyond decent repair. If it mass our cutter there would be a new making and back paiding put in, or we would know the reason. There are lots of please to the horses without tying to outlers at single, and we don't consider much a thing the most weight horty affect in the world. He not "doing unto others as we would that they also do unto us."

WOODVILLE.

THE semi-annual meeting of the teachers of West Victorie will be held at Coboconis, on 12th and 18th of February.

Mr. J. T. Hiley, director of treather's institutes, will be in attendance and will deliver a public lecture or Thursday overling. Subject, "Success in Life. All the teachers in his inspectorate are expected to attend.

A REFINE of the directors of the Sorting of Agriculture and Arts reprises to ferms.

Our motion of Mr. McDonald, seconded by Mr. Dixon, the ctatute labor commutation of the directors of the Secretary of Agriculture and Arts reprises to ferms.

Our new conneil like the new broom wishes to do good work. They raised the hotel licenses from \$120 to \$160 for each hotel. It is needless to say that the innovation is not very popular with the hotel licenses from \$120 to \$160 for each hotel. It is needless to say that the innovation is not very popular with the hotel licenses from \$120 to \$160 for each hotel. It is needless to say that the innovation is not very popular with the hotel keepers.

WILBERFORCE.

Special to The Warder.

Our motion of Dr. Wood, secon tory, and several nice dwelling houses and farm buildings. There is one thing that makes this village and the country appear beautiful is the fine little lakes and rivers that run through it. There are appear beautiful is the fine little lakes and rivers that run through it. There are also good mill privileges. We hear that Mr. R. Dunford intends putting up a grist mill next summer to be run by water. This is just the country for those who are desirous of making homes for themselves and families as they can get good land cheap, and soon we expect the Irondale and Bancroft railway to be put through this part of the country, which would be a good thing for the people here, as there would be a market opened up as there would be a market opened up for wood, and also for all kinds of farm

pressions and irregularities, when neglected.

A PETITION is being got up here to present to parliament for a prohibitory liquor law. The people of this part of the country were sick of the Scott Act when it was in force; since it was abolished we have peace here. The names of young boys and girls are put on the petition, people that know little about what the country wants. The drunkards they mentioned are not in this part of the country.

Ma. William Paul is visiting triends here. He was in the province of Quebec all last winter. He says that it is a poor country, and poor farmers, no improve-ment for the past fifty years.

Medical Hints. THE quickest, surest and best remedy for rheumatism, neuralgia, lumbago, sore throat, soreness and lameless, is Hagyard's Yellow Oil It quickly cures sprains, bruises, burns, frostbites, chilblains, etc. For croup, colds, quinsy, etc. take 10 to 30 drops on sugar, and apply the oil externally also, when immediate retief will result.—65-3.

There is no better remedy for worms of any kind in children or agults than Dr. Low's
