Our unfeeling modern philosopher says, "he single eye glass, worn by the dude, in-dicates that the wearer can see with one eye about all that his brain can fully compre-head." This conclusion is handed over to the for ful consideration of the gentleman who for the skates, but even those who ap-preciate this kind of diversion by looking on, partock of the enjoyment. A large handless,

At the meeting of the county council on Tan day, the Warden appointed Samuel Irwin as one of the auditors of the county Seconds, the council, on motion of recve Saircy of Lexion, seconded by deputy-recve My is of Iduday, appointed John Kelley as the other auditor, Mr. Irwin was also appointed, with Mr. E. Hopkins, auditors of the accounte for the administration of

A Meriposa woman, whose husband has a strong dislike to any personal acquaintance with the wood-pile, evened up with him is good style the other day. She set the table for dismer and then went over to visit a neighbor. The bith-of-fare consisted of a sem hurse, the saw and axe. A note was also left on the table intimating that "no cut far wood, no meats." From the way in which the man fore into the wood during the afternoon it was evident that his noon-day mean had made him mad.
