In regard to the item in THE WARDER of January 30th, in reference to a horse and sleigh with a load of wood going through the ice opposite Park's brick yard, our correspondent was mistaken in his error, the name of the man is Mr. Richards, and the sleigh was taken out at the time, the wood being allowed under the ice.

We notice by an advertisement in another column that Mr. E. N. Reynolds, of Toronto, is offering to lend half a million dollars to farmers, at a very low rate of interest, to pay off old mortgages or purchase farms. Dr. Fette, general secretary of education for the Methodist church, will preach in the Methodist church, Oakwood, next Sabbath, the 15th inst., at 10.30 a.m. It is probable that many will avail themselves of the privilege of hearing this powerful and eloquent minister.

SCHOLASTIC.—The average attendance at the public school for January was 30. Would it not suit your convenience to have an evening to have an occasional spelling-match? If any of the surrounding schools would like to give us a trial they will find our ready and willing for the fray. By communicating with the headmaster it is probable that some arrangements may be made that will result in a friendly match.
