TO THE ELECTORS OF

## NORTH VICTORIA!

GENTLEMEN, - Having been freely and unanimously nominated by the regularly called liberal-conservative convention of North Victoria, as candidate for the coming election for the House of Commons, and having accepted the same, I respectfully solicit your vote and influence in my behalf.

The Government of the Right Honorable Sir John A. Macdonald has my hearty sympathy; and, if I am elected, I shall extend to him and his colleagues a liberal support, so long as I believe their policy to be in the interest of my constituents and that of the Dominion at

Among other planks in my platform are:—
1. No direct taxation of farm lands for Dominion revenue. 2. FAIR TRADE, viz. RECIPROCITY with, not only, the United States, but with all other nations.

3. No discrimination, in trade, against Great Britain. 4. No extension of provincial subsidies.

Protection to farmers in their cattle, hog, dairy and grain industries 6. The immediate construction of the Trent Valley Canal.

7. As in the past so in the future, I shall advocate and encourage (a) the opening up of the best markets for farmers' live stock and

(b) the development of the mineral interests of the northern portions of the constituency, and (c) the railways.

Before the election I shall endeavor to see as many of the people of North Victoria as possible; but as the time at my disposal is necessarily limited and the constituency very extensive it will be impossible to call personally on every elector. Public meetings will be held throughout the riding at which I

hope to meet the great majority of the people.

Again, respectfully requesting all those who approve of my platform to use their best endeavor to return me at the head of the poll. I have the honor to be gentlemen, your obedient servant,

SAM HUGHES.

Great Britair.

Hon, William McDougall has not only re-

allowed one hour and a quarter. J. H. Delamere Eeq., the silver-tongued orator of Minden, has been laid up with quinsy and erysipelas in his face. This, how ever, did not prevent his getting out of bed and rousing meetings in the riding for Major Hughes.

The Hartley, Glenarm, Lorneville, Woodville, Eldon Station, Argyle, Palestine, Bal-sover and Kirkfield lads are keen in the fight; and will render a good account of themselves.

Again on March 5th will the "Highland Brigade" the noble men of Eldon, prove themselves true to Britain's rights, British connec-

tion, and British fair play. As at Tel-el-Kebir, and on hundreds of other fields of fame, where the English, Irish and Scotch brigades have stormed the enemy's position and won glorious victories, so on March 5th will the staunch English, Irish, Scotch and Canadian brigades in Canada, again plant on the top of Canada's citadel the old flag "that has braved a thousand years, the battle and the bre-ze."

Reformers in Nerth Victoria are everywhere

refusing to follow the lead of Mr. Laurier and Sir Richard Cartwright to ann-xation. The staunch reformers are all allying themselves in large numbers under the banners of Sir John and Canada.

James L. Hughes of Toronto speaks in Woodville to-night, Friday, and in Fenelon Falls, to morrow night, Saturday, 21st.

A F. Campbell M.P.P. of Algema speaks in Fenelon Falls on Monday night, and in Kirkfield on Tuesday night. Hear him. "Why should Canadians veil the face?

Mr. Barron refuses to meet a young campaigner like Major Sam. Hughes in joint meetings before the electors. His cause must be a bad one.
