George and his amiable lady will be much missed here.....A number of young men have gone to the North West with Mr. McKenzie. They are Messrs. Wm. and Thomas Nicholls, John English, Joseph Martin, Wm. McDougall, Sam. A. Suddaby, E. Mikel and J. Coukell.....There are some new comers, Messrs. Christie and Finn. The former of whom it is said intends doing a general business and the latter will start a shoe shop.

OBIT.—On Friday, 17th inst., the ten year old daughter of Mr. John Fowler, of the 14th concession, died under very distressing circumstances. Mr. Fowler has the sympathy of the surrounding neighborhood in his bereavement.

VICTORIA ROAD.

Special to The Warder.

VISITING.—Mrs. S. Caverly has returned home from a long visit with friends in Kingston. We presume Mrs. Caverly feels much better for the trip.

ROWDYISM.—Our village was again disturbed and polluted last Saturday evening by those outlaws from the south. Outlaws, we may call them, for they dont regard the law or morals of any person. The foul language used by those foul-mouthed men was startling as it was much overheard that nearly every person could hear it. It is too bad if respectable people has got to put up with this rubbish. We would warn those parties in future to be more careful what they say and where they say it.

A Cure for Constipation and Headache.

Dr. Silas Lane, while in the Rocky Mountains, discovered a root that when combined with other herbs, makes an easy and certain cure for constipation. It is in the form of dry roots and leaves, and it is known as Lane's Family Medicine. For the blood, liver and kidneys, and for clearing up the complexion it does wonders. Druggists sell it at 50c and $1 a package.—26-17.

I beg to give notice, owing to reports being circulated to the contrary, that there never has been the slightest business connection between this Company and the City Mutual Fire Insurance Company, nor do the latter owe us one dollar, so that their suspension does not affect us in any way. The business of this Company, in which they have for over Thirty Years done the largest in Canada, being confined to farm and dwelling house risks, while the "City Mutual" did business of a general character.

Royal Canadian Insurance Co'y.

The report of the Royal Canadian just published shows an increase in premiums, assets, investments and reserves. The surplus as regards policy holders is now over half a million, not in premium notes, which no one expects to have to pay, but in hard cash. The report of the London Mutual not only shows a falling off in business, and a decrease in surplus, but it shows an increase in the losses, working expenses, money borrowed and interest paid, the item of borrowed money being increased from $40,000 in 1889 to $60,000 in 1890, and the item of interest from $875 to $2063.

In anticipation of this unfavorable report I learn that the agents of the company are asking the policy holders to pledge themselves to renew their policies with them several months before they expire. Promise nobody until you know all about how matters stand.
