

Mr. Thomas Cox and Sidney Stephens of Hinton, have been visiting among old Mariposa friends. They are interested in building a mission church in their neighborhood.

The public will learn with regret of the serious illness of Mr. Meagher, mail-carrier of the Haliburton railway. He is in Colorado and on Saturday and Sunday last had violent attacks of hemorrhage of the lungs. His father and mother left on Monday to attend his bedside.

As an aid to internal remedies for skin diseases, Dr. Low's Sulphur Soap proves very valuable.—80-5.

Congratulations to Miss A. E. Marty of Lindsay Collegiate Institute and her sister, Miss S. R. Marty of Port Perry on successful passing their examinations in Latin and other subjects in Queen's University. Miss Marty will probably write for her degree next year.

Twenty-five years ago on May 6th, 1866, Mr. Pasmore now the Collegiate Institute caretaker reached Canada on the frigate "Aurora" to take part against the Fenians. He served on the gunboats "Hercules" and "Prince Alfred" on the lake and was one of the best shots in the navy. Mr. Pasmore was much chagrined to learn that he had missed meeting one of his old commanders, Lieut. Gordon, who was here this and last week, another raid would find the veteran ready to turn out.

"Admiral" Gordon the worthy officer in command of the Canadian fleet of gunboats or cruisers to arrest Yankee fishing pirates in the Gulf and Atlantic coast waters, was in town this and last week regarding the fisheries of this district. Mr. Gordon is a second cousin to General Gordon of Khartoum, is an old Royal Navy officer, served in Canada in the Fenian raid times, had charge of the three years winter trips to Hudson Bay, and is in command of the Canadian fleet. While in Lindsay he visited Messrs. Thos. Beall, John Dobson and Sam Hughes. At Cobocook he met many who had shown great kindness to his son who was wounded at Rosedale two years ago. He thoroughly organized the fisheries.

ZION—MARIPOSA. Special to The Warrent. The Zion Sunday school wishing to organize a Temperance band, sent an invitation to the S. S. T. B. band at Mariposa station to come and furnish a programme and help in the organization. This invitation was very kindly accepted, and on Friday evening, May 7th, the concert was well attended to the well prepared programme. The appreciation of their efforts was seen when Miss L. Prior, Miss Foster, Miss Parison, Miss H. Prior, brought in the report of fifty new members added to the society. After the long and entertaining programme was disposed with the officers were elected. The society is now in a fair way to a hopeful and successful future.

Robert Moffatt of Canby, well-known as "Bobbie Burns the second," died on Thursday, 30th April, of his Grippes, at his residence at Fenelon Falls on Saturday, May 2nd, 1891. The deceased was father of Peter Moffatt of Fenelon, and was long and favorably known as the pinmaking and cigar maker from Lindsay to Linden Valley and Canby. He was a very good root holder and written many songs both secular and sacred, which were published some years ago in a book of songs by THE WARRENT. For some time Mr. Moffatt has gradually been "tottering" towards the "hill" of life. His views may be expressed in his own words:—"The cross of Christ" was all his hope;—"The Sinner Saved" his joy;—"Christ's Living Love" did launch his barque to sail in another life.

Mr. Moffatt, a farmer of Fenelon Falls, was referred to give information to George Armstrong, one of the census takers. He thought the law didn't compel a man to answer a census taker. It didn't ten years ago, but he was willing to risk a good day. Consequently he had the same law book with him on Tuesday of this week to come down to see Mr. Armstrong's charge and was fined \$5 and costs. When Constable Frank went for him on Tuesday he didn't know that he could very well spare the time, but finally consented under the Constable's persuasive, and came with the necessary census information and enabled Mr. Armstrong to complete his roll.—Fort Perry Standard.
