AN EASY SOLUTION.—The Northwestern Mechanic is responsible for the following: A man who wanted to learn what profession he would have his son enter, put him in a room with a Bible, an apple, and a dollar bill. If he found him, when he returned, reading the Bible, he would make a clergyman out of him; if eating the apple, a farmer; and if interested in the dollar bill, a banker. When he did return, he found the boy atting on the Bible, with the dollar bill in his pocket, and the apple almost devoured. He made a politician of him.

A Novable Base-ball Maron.—Last Saturday Salem, Mariposa, played Landsay Collegiste Institute an interesting game of baseball on the school grounds here. The result was a surprise to overyone, even the Salem boys themselves who had only one practice this year. The result was a visitory for Salem by 7 runs. Some of the Institute team assert that Duneau McMillan's curved pitching was not credited by the umpire who counted "balle" during the first two innings when such were "strikes." Be that as it may, while we were present, from third to seventh innings, the umpire was as impartial as mortal man could be. Mr. Wm. Suggitt of Valentia, would not favor his own father, much less the Salem boys. The fact seems to be Mr. Boynton, the efficient captain and enterer of the Institute team received a severe injury on the hand which somewhat affleted his usual excellent catching, while others of both teams made some loose playing. However, it was a splendid afternoon's exhibition, and neither team need feel ashamed. They are all gentlemanly young tellows and each did his best. Captain Boynton and Mesers. Shier, Bradburn, Staoy, McMillan, McInton, Perry, Mackensie, and McAdam made up the Lindawy team. Capt. Macdongall, Findlay Sinclair, Neil Sinclair, Levi Sparks, Thos. Reagin, J. Ramsay, Oharlee Varcee, Dan Varcee, and A. Achton formed the Salem team, Mr. Wm. Suggitt of Valentia, was umpire. "Thay" Ramsay and Tra Wannen had hearty congratulations with each other on having reviyed the Salem team, they having decided to dishand; but The man who goes around comparing him-self to other people, to their disadvantage, is in small business. in small business.
