THE LATE ROBBET COMMANN. — Our renders will be corry to learn of the death of Mr. Robert Cochrane, which took place in Toronte Thursday morning of lest week. Deceased was a sative of Port Rope, and for many years one of the most popular engineers on the Midland hallway. He was well-known and highly respected over all parts of the line. Mr. Cochrane has been off duty for a number of years, through contracting an incurable maindy brought on by over-work, and his continual anxiety for the enfety of his passedgers. Thus, for himself, his demise must be regarded by his family as a happy release. The late Mr. Cochrane was a fine, large hearted, genial fellow, a great favorite with the railway officials, and he always had a kind word and honest shake of the hand for all with whom he came in contact. Deceased, who was disparse old, loaves a wife and one daughter, who will receive the heart felt daughter, who will receive the heart felt sympathy of a large circle of friends in their bereavement.—Times.
