MRITAV SEPTEMBER 18, 1891.

Special to The Warder

THE races did not come off this week on account of recent rain making the new track too heavy for the light and valuable horses. The above races took place on Friday, Sept. 11th. Entrees were as follows :- Billy Flint, recently purchased by Anson Taylor, to compete with all comers; Black Cloud, John Watson's; Tom Allin, Jimmy Scott; Nellie Forder, George Newbis, Fretty Polly, aged, George Marlow's, Above horses all have a record under 11.50.

On Wednesday last court opened at usual hour. First case called Nesbitt vs | hearty. Carr. Decision in favor of complainant Nesbitt. Judge only heard half the evidence, as the victim, poor pig, condemned the defendant in the eyes of the court. A GREAT noise at the round house Friday morning. The whistle blew upwards of two hours with no results, it is reported employees have struck.

Grain is turning out well. Robert Hyland threshed 800 bushels of barley in half a day, betier quality than the two HARVEST is a thing of the past for this

season, and the farmer is either busying himself threshing, plowing or going to the Ludustrial at Toronto. GRAIN of all kinds is turning out excep-

tionally well; large yields being reported in all parts. THE garden party at Cadmus on the 2nd inst., was well attended and a good

time reported. Blackstock brass band and string orohestra furnished abundance of music and made the time pass pleasantiy. Proceeds \$32 PERSONALS. - Miss Nellie Watchorn made a flying visit at her aunt's, Mrs.

Ed. Armstrong.....Miss Em. Jackson has taken a trip to her brother's, Mount Horeb.....Mr. A. Malcolm has returned from a lengthy visit with his brother at BALL's new thresher is making great

work of late, and the inventor has every reason to feel proud of his machine..... Watson & Thompson seems to be spurring up also and doing unusual work.

ROBERT PHILP, the creamery man, has made his first sale of butter, realizing a very lair price as follows, 191 cts. for June and July make, and 20c. for August. THE water is very low in lake Scugog. Ducks are not plentiful this fall.

All sets of teeth finished and fitted to the mouth by Mr. Gross himself, or under his personal supervision, which will account for the satisfaction given by his

work.

The introduction from time to time of the latest appliances for the administration of Vitalized Air and Gas, coables Mr. Gross to announce constantly increasing success in the use of these anaesthetics. No pain, no accidents, ne torn gums, consequently, ne dissatisfaction.

The best methods of preserving the natural teeth by filling with gold and other reliable materials, has been made a study for nearly Thirty years by Mr. Gross, and special attention and care is given by him to this branch of his business. No unnecessary pain in filling. Don't fail to call on Gross at his office over Kennedy's store, Kent-St., and see specimens of his work.—152
