Save Your Hair

BY a timely use of Ayer's Hair Vigor.
This preparation has no equal as a dressing. It keeps the scalp clean, cool, and healthy, and preserves the color, fullness, and beauty of the hair.

"I was rapidly becoming bald and gray; but after using two or three bottles of Ayer's Hair Vigor my hair grew thick and glossy and the original color was restored."—Melvin Aldrich, Canaan Centre, N. H.

"Some time ago I lost all my hair in consequence of measles. After due waiting, no new growth appeared. I then used Ayer's Hair Vigor and my hair grew

Thick and Strong.

It has apparently come to stay. The Vigor is evidently a great aid to nature."

—J. B. Williams, Floresville, Texas. "I have used Ayer's Hair Vigor for the past four or five years and find it a most satisfactory dressing for the hair. It is all I could desire, being harmless, causing the hair to retain its natural color, and requiring but a small quantity to render the hair easy to arrange."— Mrs. M. A. Bailey, 9 Charles street, Haverhill, Mass.

"I have been using Ayer's Hair Vigor for several years, and believe that it has caused my hair to retain its natural color."—Mrs. H. J. King, Dealer in Dry Goods, &c., Bishopville, Md.

Ages, Sages, and Wages.

If you have a wife and half-a-dozen daughters, you can keep them all well by very simple means. Let them use Dr. Pierce's Favorite Prescription. It is good for women of all ages. You will not need to send all your wages for it. Those ancient sages, the M. D.'s of a century since, did nothing but dose and bleed their patients. We do better to-day: We use Dr. Pierce's Remedies. For womankind, Dr. Pierce's Favorite Prescription is sinply indispensable. The young girl needs its strengthening help at that critical period when she is blossoming into womanhood. It should be borne in mind that during the last three years the London Mutual collected in heavy assessments over \$30,000 more than usual, and yet at the close of last year, after collecting a full year's income, they had only \$1,403 with which to pay \$26 182 of nneettled losses. In regard to security no one should hesitate as to which company to select. S. CORNEY
