Heaven is full of windows through which the children of God are always getting glimpses. Miss Etta Copeland, daughter of Mr. Hugh Henry Copeland, is returned home from a visit to her sister, Mrs. Ben Carroll, Emily.

Mr. Wallace and the Reeveship. Dec. 31st, 1891. Just a few words in reply to Watchman's "Ratepayer" re Mr. Kyle and myself. I went to council chamber at about twenty minutes past ten. Mr. Kyle was nominated for 2nd deputy-revee; Mr. Winters for 1st deputy-revee, and no one for revee. I was asked to run for revee by several present and I consented and was nominated. Mr. Kyle was fit to throw up his chances for 2nd deputy-revee and run against me for revee. I leave the ratepayers to say whether I acted fair or not.

Nominations. The following are the names of the candidates for Municipal honors in this district. LINDSAY. Mayor—Peter Fisher, Duncan Ray, Reeve—J. W. Wallace, R. Kyle, Deputy-Reeves—1st and 2nd, J. L. Winters, Geo. Crandell, by acclamation.

Some cruel persons cut off the tail of a dog owned by Mr. Gladman, postmaster, the other tail the animal was a quiet one or they couldn't have done such a trick. The ball and supper at Mr. Pym's hotel, Kinmount, on Christmas Eve, was well attended and a very enjoyable time was spent. The genial host made everybody happy.

A number of dogs around town have died suddenly of late. It is evident that some persons think there are too many canines in the community, and that the tax on dogs ought to be enforced. Lumbering operations are very active this winter, the wages being paid to the men are exceedingly good, being somewhat higher than in many previous years. This is an evidence of good times.

An unfortunate woman from the vicinity of Cameron is now in the county goal awaiting removal to the insane asylum. She is only thirty three years of age, and married. Her case is considered hopeless. Mr. Johnston Ellis of Ops, had some twenty six acres in 1891, and has realized about eight hundred dollars from the sale of seed. Mr. Ellis is not one of those men who say there is no money in farming.

"Do girls eat sponges?" asked a twelve year old boy of his father. "No, why do you ask such a question?" "Well, because I read here in the paper that the girls threw up the sponge before the case came into court." Mr. J. N. Bates and son arrived home from Chicago Xmas Eve to spend the holiday with her parents, Mr. and Mrs. John Lyons. We regret to state that Mrs. Bates has been very ill since her arrival owing to the fatigue of the journey.

Mr. Robert Vance of Ida who has served for the past six years as a member of the Council of Agriculture for district No 5 is again a candidate to which we hope he will be elected as he has been a worthy and palatable member. During the past week a dozen youngsters, anxious to try the ice, have gone home in a condition to be sent through the family clothes wringer. If there is not a drowning accident or two before long it will not be the fault of the boys.

The farmers along the Scougog who instituted the suit in relation to the Lindsay Jan. are now being called upon to pay the law costs in connection therewith, the same being quite heavy. Some of them are kicking, but it will be useless. On Christmas night a social assembly was held at Ingram's hall, Fenelon Falls, under the management of Mr. F. Hamilton. The attendance was good, and a pleasant evening was enjoyed. Mr. Noble Ingram served supper in his usual excellent style.

EGZEMA ON A LADY. Stubborn Case of Skin Disease covered her Face and Body. Many Doctors Baffled. Marvellous and complete Cure by CUTICURA. Six Years have elapsed and no Return.

A lady customer of ours (Miss Fanny Atwood, of Caroline Depot, N. Y.) has been cured of a stubborn case of skin disease by the use of CUTICURA. She remarked that her case had baffled the skill of many well-known physicians. They unanimously pronounced it Eczema, with Rheumatism lurking in the blood. Some predicted that any treatment strong enough to cure the Eczema would surely increase the Rheumatism. She used two sets of the CUTICURA Remedies. The effect was marvellous. Her case of Eczema was completely cured, but her Rheumatism was greatly relieved during the treatment. Her skin has since never increased by the treatment, but rather diminished, and she sees no symptoms of the return of the Eczema which once so completely took possession of her face and body. Miss Atwood delights in telling of the good effects of the CUTICURA Remedies, and recommends unhesitatingly CUTICURA Remedies for Eczema and all kindred ailments. Your preparations find ready sale, indeed, CUTICURA Remedies on the list to buy almost continuously.

A Cure for Constipation and Headache. Dr. Silas Lane, while in the Rocky Mountains, discovered a root that when combined with other roots, makes an easy and certain cure for constipation. It is in the form of dry roots and leaves, and is known as Lane's Family Medicine. It will cure sick-headache, every form of constipation, biliousness, indigestion, and for clearing up the complexion it does wonders. Druggists sell it at 50 cents a package.—13-ly.

Register of Societies. MAONIC FRATERNITY OF BRITAIN, No. 77, meetings held on the first Friday of each month in Keenan's block. Mr. G. S. Farnham, secretary.

A Voice from Mariposa. To the Editor of The Warder. DEAR SIR,—Please publish the following which may interest many of your readers, including the electors of Mariposa. Mr. B. Adam, at the nomination, gave an embellished speech, some of whose features much require criticism as such was not possible at the time.

When this document obtained the sanction of the road and bridges committee to a grant of \$125 solely in the interest of Mr. Adams' constituents in Mariposa, he made a motion, through absent cowardice of combating a motion for \$50 to Eldon, to deprive his own township of the \$125, when read in committee of the whole, which was carried by Mr. Adams' casting vote.

HEAD LAKE. ADDRESS AND PRESENTATION.—As our teacher, Mr. R. Irvine was about to take his departure the scholars, on the last night of school presented him with a beautiful pink album and silk handkerchief with the following address: To Mr. Robert Irvine: We, the pupils of your school and a few of your friends in view of your departure from among us, desire to convey our esteem of your character and friendship and also our regret at your removal from our midst. We desire your acceptance of this small token of the same given as it is with the best of wishes for your future prosperity and happiness. Signed, LEXIA DAVEY, ALICE GORTNER, MR. IRVINE goes down near Onnes to teach next year where we wish him every success. Christmas was very dull around here owing to there being no sleighing.

Interested People. Advertising a patent medicine in the peculiar way in which the proprietor of Kemp's Balsam for Coughs and Colds does, is indeed wonderful. He authorizes all druggists to give those who call for it a sample bottle gratis, that they may try it before purchasing. The Large Bottles are 50c and \$1.00. We certainly would advise a trial. It may save you from consumption.—15-ly.
