special to The Warder. THE HOLIDAY gathering in connection with the methodist church have have been characcerized by an unusual degree of success.

On Christmas night the members of the Endeavor society held a rainbow entertainment. A very beautiful arch bearing the colors of the rainbow graced the front part of the church, and this in addition to the other suitable decorations and the numerous and costly Christmas gifts arranged beneath the arch, presented a very stractive appearance. The chief feature of the evening was the series of readings given by Miss Jennie Houston, a young and talented elocutionist, who is at present residing here. She completely captivated the audience. Her recita-tion of "The Charcoal Man" bsing exceptionally fine. Miss Houston possesses ta ent which will undoubtedly raise her to a high rank. The proceeds amounted to nearly \$70. On Sabbath, Dec. 27th, Rev. G. C. Workman. Ph.D., of Victoria University, occupied the pulpit morning and evening. Stubborn Case of Skin Disease covered her Face and Body. Many Doctors Baffled.

Marvellous and complete Cure by Cuticura. Six Years have elapsed and no Return.

A lady customer of ours (Miss Fanny Atwood, of Caroline Depot, N.Y.) has been cured of a stubborn case of skin ciseuse by the use of Curicora Ramadoras. She remarked that her case had baffled the skill of many well-known physicians. They unanimously pronounced it Eczema, with Rheumatism lurking in the blood. Some predicted that any treatment strong enough to cure the Eczema would surely increase the Rheumatism. She used two sets of the Curicoral Ramadiss. The effect was marvellous. Her case of Eczema was not only completely cured, but her Rheumatism was greatly relieved during the treatment, six years have classed since the cure was performed, her Rheumatism has since never increased by the treatment, but rather diminished, and she see no symptom of the return of the Eczema which once so completely took possession of her face and body. Miss atwood delights in telling of the good effects that the Curicoral treatment had upon her, and recommends unsolicited the Curicoral Ramadies for Eczema and all kindred aliments. Your preparations find ready sale, indeed, Curicoral Soar is on the list to buy almost continuously.
