A lady customer of ours (Miss Fanny Atwood, of Caroline Depot, N Y.) has been cured of a stubborn case of akin cisease by the use of Curcura Ramadiss. She remarked that her case had baffied the skill of many well known physicians. They unanimously pronounced it Eczema, with Rheumatism lurking in the blood Some predicted that any restment strong enough to cure the Eczema would surely increase the Rheumatism. She used two sets of the Cuticura Remadias The effect was marvellous. Her case of Eczema was not only completely cured, but her Rheumatism was greatly relieved during the treatment, Six years have elapsed since the cure was performed, her Rheumatism has since never increased by the treatment, but rather diminished, and she sees no symptoms of the return of the Eczema which once so completely took possession of her face and body. Miss atwood delights in telling of the good effects that the Cuticura treatment had upon her, and recommends unsolicited the Cuticura Remadis for Eczema and all kindred allments. Your preparations find ready sale, indeed, Cuticura Suap is on the list to buy almost continuous y.
