

Facts and Mules

Are very stubborn things and it is just as hard to alter a fact by denying it, as it is to keep from curing a cough or cold if you use WHITE PINE BALSAM, the great cough and cold remedy. Nip a cold in the bud and point right for

Drug Store when you feel the Grippe or want a tooth brush or a bottle of corn cure, as we are doing business right along in the old stand no matter who is mayor or reeve of this "blooming" town.

"August Flower"

Perhaps you do not believe these statements concerning Green's August Flower. Well, we can't make you. We can't force conviction into your head or medicine into your throat. We don't want to. The money is yours, and the misery is yours; and until you are willing to believe, and spend the one for the relief of the other, they will stay so. John H. Foster, 1122 Brown Street, Philadelphia, says: "My wife is a little Scotch woman, thirty years of age and of a naturally delicate disposition. For five or six years past she has been suffering from Dyspepsia. She became so bad at last that she could not sit Every Meal down to a meal but she had to vomit it as soon as she had eaten it. Two bottles of your August Flower cured her, after many doctors failed. She can now eat anything, and enjoy it; and as for Dyspepsia, she does not know that she ever had it."
