THE RECENT MEETING of the Bible Society THE RECENT MEETING of the Bible Society here was notable by the absence of many Presbyterians, at least their pastor complained of their absence. In the Presbyterian Church the speakers for the Bible Society meeting were announced. This our informant nearly incored that many people would remain says insured that many people would remain away. Gough Bros., "the wonderful cheap men," are here, and announce their "Opening Gun" on our first page. Their advertisement is unique in style and well worth public perusal—impressing one at once that the Gough Bros, are 19th century business men—fully abreast of the times in an electric age, when "Push, Pluck and Principle" are the indispensible characteristics of the man who succeeds. Their place of business is Ritchie's old stand, which they have remoddled, re-papered and renovated, rendering its appearance as bright and cheerful as the radiant sunlight of an Easter morn. \$55,000 worth of ready made clothing, hats, caps and gents furnishings, is the stunning announcement of these Canadian Wanamakers. The great agitation is already en, and the public anxiously await the opening of the campaign, which is announced for Wednesday next, when the first bomb shall be hurled into the camp of the king of high prices. Gough Bros', clothing business aggregated last year in Canada over half a million dollars.

New Government Buildings at Orillia, to be erected by the Dominion government this summer, was the occasion of a large meeting of townspeople, ex-Mayor Slaven officiating in his usual happy manner. Mr. Eaton, the contractor, had erected a flag pole where the ceremony was to take place, and the Union Jack fittingly floated over the gathering in the bright sun of a beautiful April afternoon. Mr. Slaven referred in felicitous terms of D'Alton McCarthy, M. P., whose let it was to introduce the delegation from Orillia to the Ministers at Ottawa, and who used his great influence in securing the grant for the new building, as well as a Collector of Customs. The necessity of the new building was spoken of from a public standpoint and also in the interests of the officials of the Post-office, Custom's and Internal Revenue departments. The ex-Mayor also alluded to the fair dealing of the Government in awarding the contract to Mr. Eaton, notwithstanding his well known opposition to the present administration From what he known of Mr. Eaton he had no doubt that he NEW GOVERNMENT BUILDINGS AT ORILLIA.
