W. H. POGUE Little Britain. Still leading. In returning thanks to our many friends for their kind patronage we beg to say that we are continually receiving fresh supplies of all the new and seasonal goods. We have learned from long experience that a heavy stock of staple goods will soon put the owner out of the race. OUR AIM is to keep a gilt edge stock and as near as possible to renew it every month. Turnip Seed is now on deck. We offer Steele Bros. best varieties. Don't experiment with your turnip crop; get the best. DON'T FORGET that we sell time-ware for half the usual price. We also keep a good stock of boots and shoes, and sell them cheap. Don't lose all day Saturday and throw in a railroad fare, when you can come down to the village after tea and get a pair just as cheap. WE have a good stock of paint and glass—glass cut to any size or shape. OUR BUSINESS is run on a cash basis. The highest market price paid for produce and one cent extra in goods. We are determined with your assistance to make Little Britain the cheapest place to get your supplies and to that end will keep climbing, and when you hear a little squeaking you will know that our spurs has knocked off some of the bark.
