entertainment, the music being of a high order, and evincing the superior training of the band since Bandmaster Albertson's advent here. It is difficult to understand why our citizens do not patronize more extensively the concerts of this musical organization, which are its only source of revenue, and surely a commendable means of raising funds necessions. commendable means of raising funds neces-sary for equipment and management. If an idea is abroad that the music furnished at these concerts is not of the most select nature and rendered in a style that would do credit to a band of much longer training, then to at-tend but one entertainment will drive that wrong idea into oblivion, and fully convince the most doubtful that the nominal charge of ten cents admission is no criterion as to value given in exchange. If people are so engaged given in exchange. If people are so engaged in other matters that time cannot be afforded then by way of encouragement to the band just purchase a ticket whenever a concert is then by way of encouragement to the just purchase a ticket whenever a concert is held and thus help to support an organization that cannot exist without funds; and which not only deserves public support, but without which our town would be far behind the spirit of this, the last decade of the 19th century. The WARDER refers to this question in terms intended to further the mutual interests of the citizens and the Citizens' Band. The next Band concert will take place on the evening of Thursday, June 30th, in the Rink, and after date on every Friday evening during the summer months.

CHRISTIAN ENDEAVOR EXCURSION—The excursion to Washburn Island on Friday, the 17th inst., under the auspices of this society was well attended. The threatening clouds of the morning had no terror for the Endeavorers and their friends who came in large numbers from Fenelon Fails, the point of starting, Cameron, Hartley, Glenarm, Cannington, Graham's (West Ops) Zion, Oakwood, Manilla, Glandine and Lindsay. And on reaching the island the happy excursionists were met by about 300 fellow endeavorers and friends from Valentia, Little Britain and vicinity. After the friendly greetings and sumptuous repast, followed by a two hours "go as you please" The shrill whistle of the Crandella brought suddenly on board again the happy four hundred. While Capt. Ball, with his neat little steamer, assisted in getting the Crandella from her moorings, the great crowd on the boat struck up "God be with you," which was heartily taken up by the throng collected on the shore. The day was comfortably cool and all returned well pleased with the day's outing. LIFE AND TIMES OF HON. ALEX. MACKENZIE.—When a man of the sterling character
and of the long honourable and useful public
career of the late Hon. Alex. Mackenzie,
leaves the scene of earthly action, there will
be a vast deal in his life worth recording and
there will be found willing and competent
writers to undertake the duty. Every chapter
of the work is full of interest, as the late Mr.
Mackenzie began his experience of Canadian
politics in 1842, when the country had entered
upon the experiment of responsible government, and the stirring scenes with which he
has been since associated so actively are all
truly and clearly laid down in his life. No
doubt the work will have a wide sale. Mr.
Will H. Pollard is introducing it in Peterboro
and Victoria, and his courteey as well as the LIFE AND TIMES OF HON. ALEX. MACKEN. and Victoria, and his courtesy as well as the great merit of the book he is offering for sale by subscription, commend him to the confidence and kindly recognition of the public,

—Peterboro' Examiner. A FAMILY GATHERING. — We take the following from the Strathroy Despatch of June 15th. The Mr. Nathaniel Lamont referred to is foreman in Mr. John Williamson's harness establishment in town, and is a fine citizen in every respect: "Within the past few days a most interesting gathering of a well known and respected family took place in Strathroy. They are the sons and daughters of Mrs. David Lamont, of North-st., who has now been an esteemed resident of our town for many years.

MEDDING BELLS. — From the Peterboro Review of June 16th we take the follewing; — "At 4.30 o'clock yesterday afternoon quite a gathering of the fair sex were assembled in the Charlotte at. Methodist church to witness the tying of the nuptial knot which united in marriage Mr. Thos. Armstrong, of the firm of Fairweather & Co., Lindsey, and formerly of Peterborough, and Miss A. May Dawe. Rev. Geo. Edwards performed the ceremony. No invited guests were present, the wedding being a quiet one, and was intended to have been private, but their friends found an entrance to the church. The bride was charmingly attired in a heliotrope henrietta. Arimmed with a lighter shade of heliotrope silk, and wore a steel gray hat. The bridesmaid was Miss Lottie Green and she was attired in steel gray henrietta. The bride carried a bouquet of white roses and the bridesmaid one of pink. The groom was supported by Mr. Geo. Matthie, of Lindsay. After the ceremony the happy couple drove to the Grand Trunk depot and took the train for Lindsay. The bride was the recipient of many handsome wedding gifts. Mr. and Mrs. Armstrong will receive the warmset where of many friends here for a happy and prosperous inture." The Warden joins with their many friends in town in extending congratulations.

Additional Lecal on Eighth page. Lamont, of North-st.. who has now been an esteemed resident of our town for many years. Every member of the family were present, viz:—John A., of Jackson, Mich.; James, of Winnipeg; David, of Strathroy; Nathaniel, of Lindsay; William, of Berlin; Stewart, of Chatham; Mrs. D. Mokellar and Miss Lamont, of Strathroy. They have not all been together since their father's death, which occurred here in 1875, and one can easily imagine the pleasure it must have given them to be once more together under the roof of a well beloved and respected mother. On Monday afternoon they assembled at the photograph rooms of Mr. S. H. Ray, when an excellent family group was obtained. All of the family have resided here in earlier years, and have heats of friends among our citizens, who were more than pleased to see their good looking faces and stalwart forms once again in our midst, and when go most of them must, they may be sure they carry with them the best wishes of all for their future presperity and happiness."
