Blackham, a young man formerly employed as a shipping clerk in London, England, per H.S. European at Montreal on Friday last, and coming on by rail arrived here on Monday a.m. In company with Mr. Wren Worsley the young man called at THE WARDER office and told us that on account of unfavorable weather the European was 17 days making the trip from Antwerp to Montreal.

Councillor A. D. Malton, returned on Tuesday last, after visiting friends in Rochester, Palmyra and Lima, N.Y. He found his friends all well over the border and received a kindly welcome, but found nothing so attractive as the charms of a happy home in Canada. The councillor met several prominent Yankees and in speaking of matters political they were not at all pleased that the member for North Victoria and his friends had put a check on their bacon coming into Canada to supply the North-West Indians. Uric acid in the blood is the cause of nearly all disease, it visits every part of the body and is liable to fasten disease on any organ; the duty of the kidneys is to extract wastes from the blood; a cold upon the kidneys is a danger to the back follows, and unless relief is obtained, permanent inability of the kidneys to perform their functions follows, which may terminate in liver complaint, dyspepsia, blood disease, dropsy, diabetes or Bright's disease. Doan's Kidney Pills assist the kidneys to natural work, and cure all complaints and results arising from same.—40-2.
