WORDS OF KINDNESS.—The following kind words from the Regina Leader, N.W.T., will be read with interest by many friends of the young lady in Victoria county, who all wish young lady to be able to resume her duties: "The people of Regina and vicinity will learn with regret that our esteemed Kindergarten teacher, Miss Angus, will be unable to resume her duties after vacation on account of illness. By her rare talents and amiable disposition Miss Angus had so endeared herself to the little ones in her classes, and had won such a high place in the affections of the people, that far from being annoyed to be recalled to duty she was anxious to be recalled. It will be difficult for her to leave. We sincerely hope that a rest from the arduous duties of the school may restore Miss Angus to the health and vigor of former days, and that by the favor of a kind Providence she may long be spared to continue her useful and inspiring work."

SCROFULA 12 YEARS

Always Sore. Burned Like Fire. Ashamed to be Seen. Got Worse Under Four Doctors. Cured by Cuticura.

For about ten or twelve years I have been troubled with scrofula. My head was always sore, my face was dry and scaly, and burned like fire most of the time. My body was covered with big red spots on it, and I did not know what to do. I went to four different doctors and they helped me at first. In the fall I got worse again; then I tried other remedies, but they did me no good. I was ashamed to go into public. I was a sight to look at. Every one would say, "What is the matter, why don't you take something?" I even at my daily labor I had to wear a sort of cap to keep the dirt from getting into the sores. After I would wash, I would be covered with big red pimples all over my neck and face. Some two or three people advised me to try the CUTICURA REMEDY. I did try them, and am glad I have done so. Glad to say I am a well man, and in the best of health since I cannot praise the CUTICURA REMEDY too highly. I enclose my portrait. LEWIS W. KATON, Larksville, Pa.
