

Bringing Down the Estimates for 1893!

OPENING OF PARLIAMENT FOR THE PEOPLE.

GOUGH BROTHERS

Cabinet formed and a Policy decided on.

February is the month of clearing up. Goughs have re-organized business for 1893 and start out to clear off the slate for Spring. Trade for 1892 has been larger than ever. Profits have been smaller. Goughs have cut their prices to meet the low prices of wheat, and if wheat goes lower down go Goughs' prices. They will not be undersold by the farmer or see the farmer undersold.

CLEARING UP THE STOCK FOR SPRING.

Stock Taking is over. A lot of odd lots remain. These must go. Goughs will almost give them away to clear. Come in and run through the counters and see your opportunity. CLOTHING, OVERCOATS, BOYS' SUITS, UNDERCLOTHING, HATS & CAPS, are all included in the general sacrifice.

"The Irrepressible Conflict" by Rev. Minot J. Savage of The Arena, Boston, is one of the most scholarly works of modern times. It freely and kindly discusses the broad question of religion and gives the reader a much wider range of thought than would be considered orthodox under the old school. Mr. Savage, however, will be best comprehended after a careful perusal of his book, a task we heartily commend to every intelligent citizen.

There are more cases of sickness and death from diseased kidneys than from all other diseases combined. It is your own fault if you allow your kidneys to remain in an unhealthy condition when the cure is at hand. Dodd's Kidney Pills are guaranteed to cure the worst cases. It costs but little to give them a trial. They are for sale by all druggists and dealers or by mail on receipt of 50 cts. or 6 boxes for \$2.50. Write for book called Kidney Talk.—72 2.

Dr. Butler's Golden Pills have earned a great reputation wherever employed. As a nerve tonic and blood builder they are unrivalled. They increase the appetite and promote a healthy performance of all the functions of the body. A thoroughly scientific preparation, they never fail to effect a cure if directions are faithfully carried out. Nothing harmful in their composition. The most delicate system will be benefited. Ask for Dr. Butler's Golden Pills and take no other.—49-11.

At the council meeting on Monday evening a motion was presented, thanking the Grand Trunk railway authorities for acceding to the request to have trains from the north stop at Kent St. on Saturdays, on their attention being called to the matter by the Press of Lindsay. Councillor Mallon objected to the word press, asking that the word WARDEN be substituted instead, as that paper was the only one that referred to the matter. The amendment was made as suggested by the worthy councillor and the motion carried. Well done Councillor Mallon, your head is level.

After devotional exercises conducted by the congregation were heard from the treasurer, J. C. Smith. All were of the most encouraging character and showed that the operations of the several departments of the church had been vigorously carried on during the year, and steady progress was being made. The following new managers were elected: Arch'd D. McEachern, P. R. McEachern and E. McEachern. Mr. J. C. Smith was reappointed treasurer of the congregation. Mr. P. A. Campbell and M. McArthur were appointed Auditors. The meeting was characterized by the greatest unanimity, and the pastor and people are to be congratulated on the excellent position they have attained, and the earnest giver for the Master. During the year.

The second anniversary services of the new building will be held (D. V.) next Sabbath, February 13th. The morning service at 11 a.m. will be conducted by the Rev. A. McAuliffe of Woodville.
