

Bringing Down the Estimates for 1893!

OPENING OF PARLIAMENT FOR THE PEOPLE.

GOUGH BROTHERS

Cabinet formed and a Policy decided on.

February is the month of clearing up. Goughs have re-organized business for 1893 and start out to clear off the slate for Spring. Trade for 1892 has been larger than ever. Profits have been smaller. Goughs have cut their prices to meet the low prices of wheat, and if wheat goes lower down go Goughs' prices. They will not be undersold by the farmer or see the farmer undersold.

CLEARING UP THE STOCK FOR SPRING.

Stock Taking is over. A lot of odd lots remain. These must go. Goughs will almost give them away to clear. Come in and run through the counters and see your opportunity. CLOTHING, OVERCOATS, BOYS' SUITS, UNDERCLOTHING, HATS & CAPS, are all included in the general sacrifice.
