Will the Township help on the work of giving us a second Line of Railway?

Lindsay has spoken. Verulam has declared. Bobcaygeon has shouted. All in favor of extension of our railway facilities. Ops has not, as yet, given her help. Will she say nay? Will she hold back the tide of progress? Will she stand in the way of material improvement and push? Never! No! Not much! And if she does, you have still

Mr. John Arnold regularly visits Lindsay market semi-weekly and always offers the best quality of beef and other meats. It is needless to say he is not one of the butchers referred to in our article last week. The public are gradually learning who the defaulter is; but if he drops past methods and sells only good meat, as Messrs. O'Halloran, Arnold, Bartlett, Ray, etc., do, there will be no complaints.

Let us hope to be favored as we did last week by another visit from our home student and friend.

Hon. Sir A. P. Carter has the thanks of the north country people for several acts of justice, but he still adds another to the list. The mail service for Rugged Rapids in Dalhousie, hitherto served from Cooper's Falls and Wainago, will in future be carried from Victoria Road and Uphill. That is, Uphill to Rugged Rapids will be the mail route. This change is due to the energy of Mr. J. C. Kyle of Uphill and other friends who persistently urged it upon our notice. It will save the trade in the borders of Victoria county, and will be beneficial in every way.
