There will be a Victoria Battalion.—
The Brigade Camp will this year be formed in Kingston on 13 h June. The 45th battalion is ordered to turn out on that date. It may as well be understood that after this camp the commanding officer, Col. Cubitt of Bowman ville, an officer who has served since the rebellion of 1837, retires. Some unpleasantness has arisen since 1884 owing to the fact that in Trenton camp that year Col. Cubitt publicly informed the battalion that that was his last camp, and that his and Col. Heacon's THERE WILL BE A VICTORIA BATTALION. -Builders' - Hardware.

Publicly informed the battalion that that was his last camp, and that his and Col. Descon's resignations were then in the hands of the deputy adjutant general. Feeling that two such fine officers as these were, should not be allowed to sever their connection with the old 45th without suitable recognition, we personally went among the officers and men and had a large subscription raised to purchase suitable mementos. On its becoming known that the battalion was taking the matter up as a reality, we were informed that it was not likely their resignations would be accepted, and we further were informed that the whole affair was a "fake," that it was arranged they should not "fake," that it was arranged they should not be accepted. These are facts known to many. Yet every camp since has witnessed an affectionate farewell "for the last time." However the 45th is loyal; and will overlook bygones, and give the splendid old officers a fitting send off. The 46th East Durham battalion cannot maintain an existence in its present territery.

Col. Williams even in later years had difficulty to maintain its efficiency. The proposal of the militia department, and also of the 46th and many of the 45th officers, is to give the 46th all of Durham county, and let the field and company officers of the 45th now in Durham has found with the 45th what recommends.

be fused with the 46th. We but voice our own and the 46th officers' sentiments in stating that no finer officers can be found than the Durham wing of the 45th has. They are Major John Hughes of Clarke, Capt. Brown of Leskard, Lieut. Dr. Nasmith of Janetville, of Leskard, Lieut. Dr. Nasmith of Janetville, Surgeon Boyle and asst. Surgeon McLanghlin of Bowmanville, and Captains Russell and Bowe formerly of Bowmanville. These very officers are just what the 46th needs, they have long been seeking them. Deacon has had a distinguished military career. Winning his way a gentleman volun-teer from the ranks to the position of Captain in the 1st British "Royals," and wearing on in the 1st British "Royals," and wearing on his breast insignia for bravery on the fields of Alma, Inkerman, Balaclava, Sebastopol and China; besides seeing service in India and our own North West, that worthy officer has well or ill, been ever ready to serve his Queen and country in any required capacity. We remember when he joined the 45th battalion in 1868. It was formed in 1866. His career as regular and militia soldier covers a region of

regular and militia soldier covers a period of more than half a century, he became a British soldier in 1839, and he has for years expressed a desire to retire, but has awaited the period when he and the commanding officer Col. Cubit, would bid adieu to the battalion together. He has long had enough of military glory, and has merely retained his connection for the good of the corps. In Viotoria county there are Major Sam Hughes, Capt. Evans, Capt. Hunter, Capt. Wallace, Capt. Holtorf, Capt. Hunter, Capt. Wallace, Capt. Holtorf, Capt. Hopkins, Lieuts. Thorton, Williamson, Ross, and Staff-Sergt. Sylvester, all duly fitted for command. Capt. Hunter is an excellent drill instructor, as are the others. Capt. Evans and Staff Sergt. Sylvester, with Major Hughes hold eligible certificates for field officers. Sergt. Sylvester was one of those on the front in 1864 and 1866 in the stormy Fenian days. He was drill instructor for the 45th regular and militia soldier covers a period of days. He was drill instructor for the 45th battalion in 1866 onward, and acted as captain of old No. 3 Co. for years. In 1870 he was acting adjutant, but took charge of the band from that time. Col. Cubitt and Major John Hughes are the only two now in the battalion from the outset, unless we be classed as coming in soon after its formation. from the outset, unless we be classed as coming in soon after its formation. In the first year of its formation we drilled in the model school company Toronto, in the second we were with the battalion only a day or two, as our attendance at the military school Toronto required us there. For a few years Staff Sergt. Sylvester was not out in camp, otherwise he would have had an unbroken record in the service. Let Victoria county this year send out a splendid lot of men. The last camp saw a grand lot of men in the 45th battalion with the exception of two useless fellows in one company. These two were a diagrace to the battalion. Let every officer and sergeant see to it that a premium is put on the class of men enrolled, that no drunkard or rowdy can by any possibility be found in the ranks and there will be no trouble. The enrolment depends on captains of companies, though a change is anticipated bringing them more directly under the control of the commanding and field officers. No. 1 company is at Bowmanville and its captain is in Pickering. If Capt. Rowe has any trouble in enlisting new, let him send his uniforms here and Mariposa or Eldon will sconfill his jackets for him. No. 2 is Capt. Hunter's company. He always has a large company of the control of the country of the company of the control of the commanding and field officers. Brown's company from Cartwright, has an unbroken record for 27 years of being always good and true men. No. 4 is Capt. Wallace's company of Lindsay, but as he can get any quantity of good steady men from Cambray it is hoped he will retain the good men of the old company and fill up with Cambray men. No. 5, Omemee company, has always made a good showing on the part of the men. There are any number of fine young fellows in Emily and Omemee who would make splendid officers in case Capt. Evans became a Major or should retire. Let some of these with Lieut. Thornton see to the enrolling of a steady lot of Emily's best men. No. 6 is under Capt. Holtorf and Lieut. Williamson of Lindsay. Their last compuny was a good one, and so will the present one be. They purpose enlisting no toughs. A splendid lot of young men from Reaboro, Glandive, West Ope, Eden Valley, Dunsford and Burnt River are coming in. Let the 45th march out of Lindsay on the morning of June 13th, possibly headed by Lindsay band, with as fine a lot of men as ever graced the scarlet uniform of the British soldier. Durham and Victoria boys, the lads from Cartwright, Bowmanville, Lindsay and Fenelon conducted themselves as fearlessly and well in the tace of a semi-savage for at Batoche, as did their fellows of Alma, Inkerman or Balaclava. Similar lads are found on every farm. Let good men errol carly and then get their comrades, also good men, to join with them. Again we ask why not have a 24th of Hay turnout of the four Victoria companies?

The result is an alternate bumping of shoulders, and

Masenic Funeral.—On Sunday last the mortel remains of W. H. Grandy were conveyed to their last resting place in Omemoe cemetery. The deceased, who was 39 years of age, was a son of Mr. Robert Grandy, postmaster, Omemoe, died in Council Bluffs, Iowa, where he had been engaged for some tivue in business as a drugist. On the death of Mr. Grandy who was unmarried and had no relatives in Council Bluffs, the masonic brethren took charge of the arrangements by sending one of their number, B.o. J. B. Atkin, of that city, with the body of their departed brother. The funeral was largely attended by sympathising friends, the Grandy family being so long known and appreciated in the village of Omemoe and township of Emily. As indicated the funeral took place under the suspices of the masonic order, there being present besides the members of the Omemoe lodge, members of the craft from Peterboro, Bethany and Lindsay. The impressive service of the Church of England was read at the grave by Rev. Mr. McCann. the masonic service being read by W. Bro. J. B. Atkin, P. M., of Council Buffs, and W. Bro. Millar of Lorne lodge, Omemoe. The Omemoe brass band headed the funeral cortege to the cemetery playing solemn music.

Many rise in the morning with a headache and no inclination for breakfast. This is due to torpldity of the liver and a deranged condition of the stomach. To restore healthy action to these organs, nothing is so efficacious as an occasional dose of Ayer's Pills. —83 1.
