Miss Pauline Johnson in St. Paul's school room on Friday evening, May 6th, 1893.—84-2.
Victoria County Rifle Association met on Monday night last in the WARDER office and arranged for the coming season's shooting. Two teams at least will be entered from the Lindsay companies, and it is hoped each Capt. Hunter and Capt. Wallace will get up teams at Cameron and Cambrey. Dr. Butler's Golden Pills have earned a great reputation wherever employed. As a nerve tonic and blood builder they are unrivalled. They increase the appetite and promote a healthy performance of all the functions of the body. A thoroughly scientific preparation, they never fail to effect a cure if directions are faithfully carried out. Nothing harmful in their composition. The most delicate system will be benefited. Ask for Dr. Butler's Golden Pills and take no other.—84-1v.
"Worthington's Titmouse Magazine, May."—Mrs. Livermore's fifth paper of her personal experience "In Ole Virginia—Fifty Years Ago." is full of incident and interest. One brilliant young pupil fights a battle, and wins it, an account of an insult to his mother, and another episode him and expands the code of the Southern, the right to revenge an injury whether real or fancied. The sermon by an illiterate preacher, in the rough little building the told occasional services as a church, the "preaching meetings" for the servants in the afternoon, when Uncle Aaron presided and exhorted, and the "broccostock wedding," which closed with music and dancing, complete the events of a strange and unpleasantly unappetizing life, all being in graphic and picturesque style.

The first rifle practice for 1893 will be held on the ranges on Friday, 12th May. There will be a 24th of May practice.
The memorial services of the late Louis Shannon and Mrs. Lockwood, will be held in Queen St. Methodist church next Sunday evening.
Mr. E. Lytle of Victoria Road spent Saturday in town. He is one of East Victoria's license commissioners, and a good judge of what is right.
Mr. James Trislander is putting a fine stone foundation under Mr. David Bivins' new barn in Opa. He has done several recently. The barn is a good one, and when the foundation is done will be complete.
Highly Spoken of.
DEAR SIRS.—I have used your Hayward's Yellow Oil for sprains, bruises, scalds, burns, rheumatism and cramp, and had it an unequalled remedy. My neighbors also speak highly of it. MRS. HIGHT, MONTREAL, QUE.—83-2.
