

Where They Educate the Men of the Future Our Schools are the Pride of the Country and the Hope of our People.

Young Canada Takes up the Studies of Another Year.

The wear and tear of holiday time has, no doubt, wrecked your Boys' clothes. The least enterprising boy can tear his garments full of holes in a two months' holiday. But GOUGH BROS. are here to fill the breach and breeches and send your boys to their studies looking like gentlemen.

We have stocked up during the holiday weeks with a mammoth assortment of Boys' Clothing. We have Suits neat, nobby and durable, warm for fall wear, and yet not too hot for the balance of the summer. Suits strongly put together and a patch or two with it, that may come in handy in a day of trouble.

Mothers need not worry about their Boys' Clothes as long as GOUGH BROS. are on deck. We have Suits for a trifle and Suits of the finest. Every line is worth more than we ask for them, and all are a deal cheaper than the garments can be made up at home.

COME TO GOUGH BROS. FOR YOUR BOYS' SCHOOL SUITS.

WEDDING BEARS.—On Tuesday, August 15th, Mr. Frank Goodwin and Miss Lotta Hoag, daughter of the late Dr. Hoag, Sarnia, were united in marriage at that town. The happy groom, as many of our readers are aware, was formerly a resident of Lindsay, and has the congratulations of his many friends. The happy couple are spending the honeymoon at Sturgeon Point, having visited Niagara and other places of interest on their wedding tour. THE WARREN extends congratulations.

Mr. John Coburn spent a well earned holiday in town with his family recently. John has no superior in lumber camps or along the rivers and lakes.

Miss Mark has returned to her duties as teacher in Toronto, after passing a pleasant summer in Lindsay.

Mr. Wm. Varcoe of Salem, Mariposa, with his son J. E., merchant of Sonoy, were in town on business on Friday. Mr. Varcoe deserves credit for his success in business at Sonoy.

Miss Katie Snelling is visiting her uncle Mr. Wm. Worley in town for a week before returning to Toronto. Her friends in Fenelon and Lindsay would be glad her visit were longer.

Mr. Best, one of Lorneville's most progressive citizens visited Lindsay market this week. That worthy lady is one of those plucky Canadian women not ashamed to lend a helping hand in the harvest or out door farm work, as well as do the house work up in fine style. Like many another farmer's wife, too, she is quite competent to take leading part in society work or to adorn without paint and expensive finery any drawing room.

A few weeks ago the Strickland canoe co. of Lakefield made a canoe for Princess May of England. The boat must have been well liked, judging by the following taken from the Peterboro Examiner.—Mr. G. A. Strickland & Co., Lakefield, says the News have received an order from England for 46 canoes, one of which is for Lord Roseberry. Six of the canoes are to be finished in a manner similar to the Princess May Canoe. They are for people of rank and title.

Mr. J. B. McLean, who had charge of the commercial news for the Toronto Empire, has left the paper to devote his entire time to the Canadian Grocer, the Hardware Merchant and the Dry Goods Review. Mr. McLean is one of the best writers on financial and commercial matters on the Canadian press. THE WARREN compliments him on his success.

Mrs. Geo. A. King and family returned Saturday from a two weeks' visit at her sisters Mrs. William Dobson Fenelon Falls.

Master Herbert Gregory has just returned from a pleasant two weeks' visit at his aunt's Mrs. William Dobson Fenelon Falls.

The union convention of the baptist and St. James' Sunday School, which took place on Thursday, 24th inst., per steamer Crandella, was not as well patronized as some earlier ones owing no doubt to the cloudy weather. But as the day did not turn out wet the ones who took the opportunity of visiting Boboysgon express themselves as highly pleased with the sail.

The public schools re-opened on Monday with Mr. B. H. Mayhew as principal and the former staff as assistants. As the principal comes to us so highly recommended, there is no doubt that the past high standing of the school will be maintained in the future. Of the students who succeeded in passing the primary examination this summer, Miss A. Dickson impressing her studies at Lindsay college, while Miss Bellingham,

MANY of our britons and lodgements attended the celebration in Lindsay on Monday last by the Toronto "true blues" and were greatly delighted over the excellent drill displayed by the Orange Battalion.

SEVERAL weddings are soon expected, "Ed" opening the campaign. Our 10 old bachelors will be at least reduced to 5 before Xmas.

Our high and public schools opened on Monday, the pride of our village as a place same size in the Dominion has turned out so many distinguished professional ladies and gentlemen.

THERE are no empty houses here. Yet a number of good applicants. There is more buildings in contemplation, along with what has gone up this season.

From an Occasional Correspondent.

PERSONALS.—Mrs. Curry's sister, Mrs. Jenkins, arrived here last Friday from California. She brought some native oranges with her, some of which measured 4 1/2 inches in diameter. Dr. Bradd and wife left last Saturday on an extended visit to relatives in Detroit. They purpose taking in the World's fair on their return. Miss Stephenson returned to Lindsay on Monday where she has been teaching very successfully for some time in our ward schools.

Captain J. Evans is home on a visit to his family. His many friends around and in Omemees would like if he would sit up the foundry and machine shop here. It would be a good idea if some of our many minded farmers would form a joint stock company with the captain as manager. There is money in it. Mr. Atkinson jr., has rented the building lately occupied by John Beatty. He later is keeping a butcher shop in city style. Hey-ho-ho!

PERSONAL.—Bob Cardwell has opened up a tonorial office in the north wing of the Cardwell House, first floor. He is an adept with the razor and scissors in pompadour and duds out, as well as all the latest styles.

TREAT.—The salvation army assisted by the contingent from Lindsay gave an entertainment in the barracks last Saturday night. Ice cream, lemonade and cake were served interspersed with music. There was food for the soul as well as the body.

MUSIC.—The five and drum band under the leadership of Mr. D. McKinley, gave an open air concert the other evening in front of the Cardwell House. The music was really good and much credit is due to their able instructor Mr. McKinley. We hope it won't be long before we are again entertained with such soul stirring music.

SCHOOL.—Our high and public school opened on Monday with a full staff of teachers all back from spending their vacation at the World's fair and elsewhere. Quite a number of new pupils are in attendance.

TOO BAD.—Mr. Oha, Dinney, who resides (when not at the Cardwell House) at the foot of Crescent Hill, lost heavily by the recent hail storm. It played sad havoc with his oats and buckwheat fields. It is estimated that his loss is considerably less than \$1000. However Chanley has the sympathy of his many friends.

DISTRICT MEETING.—The methodists of this district held their annual financial district meeting in the Methodist church here on Tuesday of this week. A large number of ministers as well as lay delegates were present.

MARGARET ARMSTRONG, who died on 30th July, 1893, was born in the county Tyrone, Ireland, in the year 1826; came to Canada when two years old, and resided with her parents in the township of Hope until she was united in marriage to Mr. George Bagg, 46 years ago. Mr. and Mrs. Bagg removed to Fenelon 17 years ago, where they have since resided. The funeral took place to Fenelon Falls cemetery and was largely attended.
