Address,

Rophysics of Levels of Leve under true blue auspices, and we trust the Lindsay press will not listen to every trumped up story, trifling with the good name of an organization the very teachings of which are founded upon the Holy Bible, and having in Leading Hatters and Men's Furnishers, at its ranks such men and women as are connected therewith in Toronto, among whom are numbered the following: A bishop of the Church of England, olergymen, ministers, members of parliament, lawyers, doctors, merchants, Sunday school superintendents, teachers, class leaders, vestry men, trustees of churches, city officials, their mothers, wives school-rooms are at our service at any time and many successful meetings and entertain ments are held therein. We value our name and our society and we feel keenly the statements made in Lindsay press and feel that such would not have appeared had our record been familiar to the editors. The popularity of our society is proven by the fact that our excursion was the largest that left Toronto on Civic holiday. It would just be as consistent to say that the directors of the World's fair are accountable for the presence of pick-pockets thereat, as to say that the loyal true blues are accountable for the presence of undestrable excursionists at Lindsay, on August 28th. We are assisting in bringing the guilty parties to justice, and trust that whoever is to blame may be proven guilty and receive their just reward.

Carefully and securely arranged prizes will be donated by the citizens for the company's and distribution of prizes, when if the evening at distribution of prizes, when officers and privates will be in unitorm. Col. Deacon, Major Hughes and others are expected to be present.

THE Emily Agricultural show promises to excel all previous efforts. New life, new men with lots of energy will carry out the greatest attractions ever offered. Bands of music will be present. See bills.

THE presbyterian anniversary services will excel all others on Sunday and Monday, Oct. 22nd and 23rd. This being the last year of the pastor, Mr. Ewing, 44 years in charge. We regret to learn of the illness of George Laidlaw Esq., the young and popular reeve of Beckley township. Bronchitis is the cause but Dr. Wood has every confidence in a safe

We intend repeating our visit and trust we chan Jackets. Persian will receive the same support and royal welcome by the citizens of Lindsay next year, and that the press will do its part in sessisting to make it a successful event. Signed on behalf of the general committee of the city of

The grand tour of the Dominion cabinet ministers in western Ontario is a decided succation that the people are in accord with the policy of the government. We were pleased to receive a call yesterday from Mr. William Milliken, of Markham, the energetic president of east York liberal conservative association, also an ex-president of the agricultural society of the same place.
