## Improvements.

Having made necessary and substantial improvements in my store in Little Britain, making it more convenient for doing business, I will be prepared to wait on my numerous friends and give good bargains in the future, as in the past.

But this is not all. I am well aware that improvements on the store no matter how pleasing to the eye, is no benefit to the purchaser. To meet this want I have purchased at a low rate a general assortment of

**STAPLE AND FANCY GOODS,** which will be sold as cheap as any other house in the trade. Thinking my numerous friends and customers for past favours and soliciting a continuance of their patronage at the old reliable store, Post Office Little Britain.

ON THE OUTSIDE—

that is the best place to keep the huge, old-fashioned pill. Just as soon as you get it inside, it begins to trouble you. What's the use of suffering with it, when you can get more help from Dr. Pierce's Pleasant Pellets?

These tiny, sugar-coated granules do you permanent good. They act mildly and naturally, and there's no reaction afterward. Constipation, Indigestion, Bilious Attacks, and all derangements of the liver, stomach, and bowels are prevented, relieved, and permanently cured. They're the smallest, the easiest to take, and the cheapest—yet they're guaranteed to give satisfaction or your money is returned. You pay only for the good you get. Nothing else urged by the dealer, though they may be better for him to sell, can be "just as good" for you to buy.
