The temperance band entertainment

The temperance band entertainment entertainment

Work has been commenced on the Montreal street railway company's new power house of which mention was made in the last issue of the Electrical News.

Mr Everett says the rate of construction of new lines is ten miles per month. A line has been opened on Fulton and St.

James Station, Little Britain, and Valentia to take part in the programme. It shewed how energetic and exemplarily progressive the people of this animated section are in the work of the

animated section are in the work of the Electricity is now used in traction, in temperance cause as well as in other undertakings in life. The managing committee we assure are worthy of the hignest commedation for the excellent floriculture, in many kinds of mechanism arrangements and well selected programme which was without spot or blemish, such that maintained their thousands of miles of electric railway; a wouled reputation for unreserved liberality and excellence in providing for an
entertainment. At 8.80 o'clock W. D.
Ro gers was elected to the chair and in a

Ro gers was elected to the chair and in a two choice words stated the object of the concert. Were we not aware of the lack of space and the fact that there are members of the band perfectly capable and willingly to go into details of the whole we would gladly do so. Sufficient is it to easy, that the various parts of the programme were rendered in the most efficient and pleasing manner and that the hearty applause and cries of encores from the audience showed their high appreciation and indicated that the thermometer of public centiment were fully in accord.

The ingenious assessment commissioner is in a content of the content of the property of

Organs and Parts of public sentiment were fully in accord ance with the temperance work so strongly advocated by the band. The oborr under the management of Mr. F. Western as leader, and Miss M. Mark as organist, ably sustained its former reputation, and we must say without being at all flattering that it has attained the height of perfection by observing and acting accordingly, since organization, the old motto, "Nunc, nunc insergite remis" and is quite competent of singing before any distinguished audience. The opening and closurg pieces rendered by the choir were highl, applauded. We did not learn the amount of receipts, but did not learn the amount of receipts, but the choir were highl, applauded. We will be looked for with much interest by similar companies in other.

STAYNER, Oct. 2 Everyone in this section knows Valentine Fisher, of Collingwood, and nearly everyone knows that, for years, he was deformed and crippled by sciatics, and endured unspeakable suffering. The account of his complete restoration to health by means of Dodd's kidney pills, recently published in the Collingwood Bulletin, were read here with intense interest, because of sympathy for Mr. Fisher, and because of the marvelous cure of a man whom everyone considered doemed to certain death, and at an early day. As a result of the publication of Mr. Fisher's story, many in this vicinity have used Dodd's kidney pills, and always with the hest results. People are awakening to the fact that diseased kidneys, in many cases, are the cause sufferings which are ascribed to dropsy, rheumatism, sciatics and other diseases.—7-1.
