FRIDAY, DECEMBER 1, 1898.

MANILLA. Special to The Warder.

WEDDING BRILS.—A very pleasing even cook place at the residence of Mr. Moshier on Wednesday, Nov. rag the marriage of his daughter, Berhania, to Mr John Allin of Canning. of a sumptuous supper, while the re-mainder of the evening was spent in various amusements. The presents, which were both costly and numerous, show the high esteem in which the bride was held by her friend. We wish the young coule prosperity and happiness throughout life in their future home.

There is Danger in it.

It is extremely toolish for persons of deli-cate health or weak lungs to harbor a suspicious cough from day to day. Thousands of people in Canada to day are foolishly drawthemselves near the grave through and admositions have in the past saved many valuable lives. We can not to often sound our warping notes to those who are in peril. We implose you to do as others have done with coughs, sore and ulcerated throats, and all affections of the bronchial tubes, -go at once and procure a supply of that wonderful Harthenchial syrup which instancily allays all mention, stops the cough, and soothes organ of the throat. The almost miracut at the of Harvard bronchial syrup has attractal the closest attention of physicians. The near and women have strongly testified to its efficacy and healing powers in serious cases of brenchial troubles and lung

wet and old weather, no individual is safe broncaisi syrup.-15 1.

Spenithe Warder.

An open meeting of the Patrons of Industry of Argyle association, No. 37, His back was broken. He leaves a wife will be held in the Argyle school house on Monday evening, Dec. 4th. 1893, at 7 o'clock p.m. The meeting will be addressed by the tollewing gentlemen: secretary secretary, Robt. Campbell; county organizer, Geo. Ashman, and John Campbell of Fairview farm, the patron candidate for West Victoria and others. A good programme will be ren Every farmer and patron in the township will please accept this intima-

Torgetto, Nov., 27.—Many people here read with great interest the despatch sent out from Ashland, Wis., last week concerning Mrs. Rossy, a former resident of this city. A sister of 'Are. Reany, s, living in Toronto, had used Dead's Kidney Pills and had been much benefited by them, so she wisely recommended them to her eister, with the result that Mrs. Reary is en the highway to good health be-cause or their use. In a recent letter to an acquaintance here, Mrs. Reany said, "I never had any hing in the shape medicine to do me

Enquiry amonst local druggists develops the Enquiry amonst local druggests develops the fact that no 'medicine is more popular or has bigger sales than Dodd's Kidney Pills Everybody who has used these pills has found them most beneficial. Not only men and women, but children, also, have been restored to sound health by their use and are to-day graters; witnesses of their efficacy.—15-1.

At Home and Abroad.

For the Doubting!

satisfactory. I shall continue to prescribe it in my practice as many cases may present themselves in which an article of that kind seems to be necessary.—15 1.

To the Editor of The Warder. Our enterprising village in spite of hard times has succeeded in attaining an attitude of progress in its history. Our merchants and mechanics do a rushing business; and our genial disciple of Bacchus administers spiritual consolation te all who seek it in the name of Mammon. While our respected director of the path to the mysterious psychic realm, with his splendid new equipment and well known proclivities in tying nuptial knots, promise to make bachelors scarce in this vicinity before spring. Though it must be admitted that some of them assume a sort of a pygmalion attitude, declaring with apparent sincerity that there is no Venus in the universe that can materialize an animated fac-simile of their ideal; yet their unquestionable observation and past experience) to de-clare such attitudes cases of "sour grapes," that the girls here can forge out of their charms a weapon too powerful for the most confirmed bachelor to resist, and to be first to sacrifice single-blessedness on the hymeneal altar in our beautiful new church is an incentive that becomes eloquent in and of itself, the anticipation of which would make past achievements appear tame and commonplace—nay—even the greatest future achievements—little ones. But the event of the season was the opening of the new church which took place on Sunday, Nov. 26th. which took place on Sunday, Nov. 26th.

On Monday evening a grand tea meeting was held in the old presbyterian church. Immediately after tea was served a meeting was held in the new church, where ing was held in the new church, where "a feast of reason and a flow of soul" was rendered, as artists were present who in the sad tale of how its regulations are in the sad tale of how its regulations are in the prohibit. "One gentleman is so in the enforcement of the law in low the travels all the way there to find out the facts, and comes back with the sad tale of how its regulations are in the prohibit. CAMBRAY.

Medical Evidence!

Strong, Truthful, Convinciug.

If medical evidence is necessary to convince the doubting and akeptical, about the superiority of lactacted food over all other forms of nonrishment, then we can produce a grand array of testimony from the dectors. The following letter from an eminent physician and president of a well-known medical society will, we are certain, influence many who wish to select the best infant food.

Since receiving samples of lactated feed sent to me two cases have cocurred in my practice in which its necessary to convince an adult with melassimilation socompying a chronto pulmonary trenble. In both cases correctly next day influence grief that school work was suspended until she had been leid to rest. In our social circle and school she will be greatly missed, being universally respected for her gent. I disposition, marked elecutionary ability and the kind and helpful assistance she so fractated food the result has been eminently satisfactory. I shall continue to prescribe it in my practice in which are article of that kind the stription of the proparation of the proparation of the proparation of the proparation of lactated food the result has been eminently satisfactory. I shall continue to prescribe it in my practice in which are article of that kind motto her experience given in the last meeting she attended—"The Lord is my shepherd in him will I trust." From her life we are assured in Christ she fully trusted, and now while we cannot wholly assuage the grief that must have sway, she is in that school where she no lenger needs our poor protection but Christ himself deth rule. On Wednesday afterhimself deth rule. On Wednesday afternoon the funeral services were performed
with great solemnity. Her school-guri
companions formed in procession and
marched to the church. The Rev. Mr.
Johnston of Lindsay, conducted the relindous service. During his discourse he
spoke beautifully of her whose young life
had just winged its flight to where all is
joy, peace and love; and said, if one word
could recall her to this world of care,
sorrow and death, although we so greatly
miss her, yet, would we refrain from
uttering that word, knowing so well that
it is far better for her to be with God.

No child is safe from worms unless Dr.
Low's Worms Syrup is at hand. It is a cemplete remedy both to destroy and remove
worms of all kinds.—89-tf.

For Seyere Colds.

Gentlemen.—I had a severe celd, for
which I took Dr. Wood's Norway Pine Syrup.
I find it an excellent remedy, giving prompt
relief and pleasant to take. J. PAYNTER,
Huntaville, Ont.—15-2.

W. C. T. U COLUMN.

For God and Home and Native Land.'

Some Objections Considered.

Our opponents are busily engaged in rendered, as artists were present who the sad tale of how its regulations are have sailed over mental seas and ex-M. Forers. The bride was supported by her sister, Miss Kate Moshier, while the recent was assisted by Mr. John R. Hay of Dunsford. After the ceremeny was performed the invited guests partock the splendor of which the splendor of the splendor of which the splendor of the splendor the Federal power being of the opposite persuasion, there has been everything to hinder, and nothing to help its enforcement. Like our own Scott Act it has betherefore, that the law is not at fault, but by Mr. Preston are strictly true, which

> Again the failure to enforce a law is no proof that it should therefore be repealed, but rather to the contrary. If all the laws were to be repealed that are violated we should have no restriction of any sort, but "personal liberty" with a

Again; in civilized countries no man has a right to engage in a business which degrades and debauches his neighbor, and personal liberty does not therefore mean personal license.

Furthermore, it more liquor be sold under prohibition than without it, why do the liquor element use all the means with delight such an act, if under its regulations their trade would be likely to grow and flourish as they represent. The liquor traffic is an outlaw and bould be treated as such. It is essentially bad, and the only right attitude for a government to assume towards an evil that of uncompromising hostility.

Preparing for the Fray.

The work of erganization goes on prayely. The counties which have not yet taken up the work could almost be counted on the fingers of one hand. In most places, the plan has been as it should be, very simple, with the view of uniting as many different societies as

As soon as machinery is previded for doing the work in the form of a central committee for each city or county with sub-committees for each ward or section tion and let people know that namers can select candidates from among themselves and place them at the head of the polls.

He deserves the praise of all good citizens for his enterprise in increasing the prosecution as much perity of the yillage. Anyone having logs to saw or sell can depend on satisfication as Mr. H. Tellman, his sawyer, to our friends across the line. We differ from those who would rule out fcreiguers in this fight. Some of them come from localities where a prohibitory law is in force, and their assistance is most valuable for this reason, if for no the trees. The parties are known and in all likelihood the law will be invoked against them. It is time that those who can only find onjoyment in damaging property, "exodusted" to some other country where their pleasantries would be properly appreciated.

On Sunday last some boys in fooling around the B.R. station, found some bottled ale, that was being returned to the manufacturers. They enjoyed themselves for a time, but the settling up was not so funny. Privations often follow pleasure,

The Mest Excellent Remedy.

Dram Sirs.—I nave suffered greatly from one of the B.B. Is an now restored to health. It cannot praise Burdook Blood Bitters too highly; it is the meet excellent remedy I ever used. Mrss Acrass J, Layonn, Hagersville, Ont.—15 2,

Ont.—15 2,

Where the pleasantries would be invoked as they are in the States, and their services appreciated, we shall feel like returning the compliment to those who may come over to help us. As valuable as are the great meetings, however, nothing can take the place of individual work—the house-to-house can-viase for voice Together with this there should always be on hand a good supply of suitable literature, in the form of leaf-lets, etc. These should be short and to the point, otherwise they will not be read by those whom we would read in this way. It is necessary that a good finance of B.B. B. I am now restored to health. It cannot praise Burdook Blood Bitters too highly; it is the meet excellent remedy I ever the best of the private of
