Mr. Haggart—Some gentleman in Toronto or Lindsay. I forget his name. It was approved by the mechanical engineer of the Intercolonial railway, and put in one car for See Jupiter, the riding lion with the Cook & Whitby circus which exhibits at Lindsay, A gentleman, under forty years of age, whose hair was rapidly becoming thin and gray, began the use of Ayer's Hair Vigor, and in six menths his hair was restored to its trial, and I am glad to say it is a perfect Mr. Coatsworth-I hope the minister will

have it put in all the cars, because we who have to sleep in the cars very often feel the natural color, and even more than its former growth and richness. -43.1. HEART DISEASE BELIEVED IN 30 MINUTES.

—All cases of organic or sympathetic heart disease relieved in 30 minutes and quickly oured, by Dr. Agnew's Cure for the heart. One dose convinces. Sold by E.Gregory.—

who has "been there" could have written the following: Sing a song of penitence, a fellow full of rye; four and twenty serpents danced before his eye. When his eye was opened, he shouted for his life; wasn't he a pretty chump to go before his wife? His hat was in the paylor undergeath a chair his boots works. to go before his wife? His hat was in the parlor underneath a chair, his boots were in the hall-way, his coat was on the stair. His trousers in the kitchen, his collar on the shelf, But he hadn't any notion where he was himself. When the moon was breaking, someone heard him call, his head was on the icebox and that was best of all.

A BOON TO HORSEMEN.—One bottle of English Spavin Liniment completely removed a curb from my horse. I take pleasure in recommending the remedy, as it acts with mysterious premptness in the removal from horses of hard, soft or calloused lumps, bleed spayin, splints, curbs, sweeny, stifles and sprains. George Robb, farmer, Markham,

Only A Few of the Kind.—The enormous amount expended yearly in all quarters of the globe by the Coek & Whitby European-American Allied shows which will exhibit at Lindsay, on Friday June 29 is without a parallel. From where the stately palm tree uprears its glorious head, to where the blezing tropical sun and the golden sands are kissed by laughing fountains, to where the earth lies enshrouded in oternal ice, and night, with sable chains holds her captive half the year from the bleak and trackless desert, the silent and decaded jungle, the mighty rivers, and the unexplored depths of the great deep.

From the languishing Orient, the oradic of the sun, to the ruddy Occident where at he sinks, each and every spot, savage and civililized, furnish living wonders for our great school. ONLY A FEW OF THE KIND .- The end

Cobourg.

[It may be noted that the Intercolonial or any other railway has never been asked to adopt the patent invented by Mr. Hughes and jointly owned with him by Mr. J. C. Grace of Toronto. The car has been tested by several railways and in each case gave satisfaction. As seon as the railway strikes in the United States are over it will be found running on the best roads on the continent. It may further be noted that Messrs Hughes and Grace have not charged the Intercolonial railway anything for the use of the ventilator on the trial car. They merely wish to prove it a success. In due time the Intercolonial as well as other Canadian railways wishing to keep abreast of the times will, in the interest of the general public, adopt the apparatus, Meantime the ewners are awaiting the proper time to advance it. Ed. WARDER.] lichard Bamforth is permitted
