T. BEALL, LINDSAY,

Harvest Excursions!

MONDAY, 13th.

A number of communications were read by the clerk and referred to the several committees to which they appropriately belonged, with the exception of a petition praying that Capt. Crandell be allowed to pile wood on the what property, which was erdered to be

for an extension of the waterworks on the east for an extension of the waterworks on the east side of the river, in order to provide better fire protection to the saw-mills, lumber and wood yards in that locality, recommending that the prayer of the petition be granted. After some discussion the report was adopted. Report of street and bridge committee presented, reporting against the building of the drain on Lindsay street on the ground that the council should not expend public money for the accommodation of private parties, also that the sidewalk on St. Paul street be not moved out as asked for, as the cost would be

moved out as asked for, as the cost would be more than \$100, which the committee con-sidered too much to expend for the work this For nervous prostration, excitability,

sidered too much to expend for the work this year, also that the request of Mr. Knight, for loam from the town gravel pit at a nominal price, for the purpose of boulevarding on Regent street be granted.

On motion Mr. Thos. Connolly addressed the council in regard to the Lindsay street drain, as did also deputy-reeve Crandell in regard to moving out the sidewalk on St. Paul street, the speeches however, of the two gentlemen the speeches however, of the two gentlemen had no effect on the council, the report being

Mr. Staples, chairman of the finance committee, read the report of that committee, striking the rate for the year at a total of 24 mills on the dollar as follows: General purposes.......154 mills.

Collegiate Institute..... 12

funds placed at their disposal.—Carried.
Moved by Mr. Keith seconded by Mr. Johnston that the towr property committee ascertain the probable cost of erecting a band stand on the market square and report at next meet-

On motion of Mr. Crandell Mr. Connors addressed the council as to his not getting a fair share of corporation work at teaming, also that he had offered to draw all the gravel 'Tis Carroll that's in it!
I've caged you at last, thin, my wild little required at 35c, per load, 40c being now paid.

It was beginning to look a little gloomy for the chairman of the street and bridge committee, who notwithstanding the apparent pit he had fallen into was smiling all over his good looking countenance, he merely asking the dis-appointed teamster if he did not tell him that appointed teamster if he did not tell him that the teaming would be awarded by tender, to which the answer was, yes, and that he, Connors, said that was the fairest way. The chairman of the S. & B. committee then call-

chairman of the S. & B. committee then called on street overseer Walker for his version of the affair which was given in a few words, prefacing his remarks by stating that he would know no man in the discharge of his duty, that he would not allow one load of stone to be divided into two heaps and called two loads, that when he was not present a load of gravel.

Mrs. Thirkell died at the residence of her brother in law, Mr. John Thirkell, north ships for an additional year's course of free tuition and maintenance. Mr. Smale was fortunate in winning the place and therefore has another year at the great university of Germany.
