times was duly passed.

Moved by Mr. Black, seconded by Mr. Phillips, that the collector having failed to collect all the taxes, the time be extended until the 20th day of April next, and the roll to be returned on or before April 25th, 1895. The corporate seal to

effect of a by-law. - Carried. Moved by Mr. Bell, seconded by Mr. Black, that this council adjourn to meet at the call of reeve in town hall, Victoria

be attached to this motion giving it the

THE AFTER EFFECTS OF THE DISEASE OFTEN MORE SERIOUS AND FATAL THAN TYPHOID ITSELF.

HUMBERSTONE, Gnt., Feb. 4 — Typhoid fever is a disease to be dreaded because of its dangerous nature as well as for the fact that some disagreeable results usually supervene when the patient has escaped from the clutches of the disease. Harvey H. Nefi, of this place, was convalescing after an attack of typhoid when he was prostrated by a severe form of kidney disease. He was bed-ridden for weeks, and no medicine that he took was of any avail. But like a light in the dark-ness, came the news of what Dodd's Kidney WE HAVE HAD the heaviest snow and Pills had done for other victims of kidney

tce. More are expected next week.

revision of the voters' lists.

put the whole of this distance under contract. This is a most important decision | must of necessity follow that the increasas regards this section as it means that six and a half miles of the canal will be built in this one contract, whereas, it the Mr. John Howie, reeve; Mr. Alexander former land plan had been finally adopt- running through all single tax arguments ed, only 31 miles would have been included in the first contract. Of course the river route was the original route chosen by Baird sixty years ago, but the this especially, it seems to me can only spring freshets did not come down with emanate from an envious and covetous such a rush in those days before the back to pr-pare copies of plans of Kinmount country was cleared, nor was there such extensive lumbering operations, nor was | makes of it a beautiful and desirable proextensively as it is at present. For this in him to undertake such a task, who reason the land route has of late been would not take the best farm in Ontario passed in the usual way confirming the adopted in preference to taking the bed as a gift while in its natural state and be of the government to assume the control along and sees the fine farm with its local board of health; also to appoint an of all the reservoirs in the north country comfortable buildings and says. "God has taken away to a great extent the objections to utilizing the river for the canal. Now the spring freshets can be controlled, the lumbering operations will not interfere with navigation for many years longer, and the parts of the river pot taken up by private individuals. not taken up by private individuals can of uncarned increment of value. That derive from the river route being taken is that the value of the water powers from Nassau down will be at least doubled by being freed from the anchor ies in winter, which will result from the rapids being drowned out by the several dams which will be constructed from Nassau up to Lakefield. We have been permitted to see the plan of the river with the positions of the locks and dams marked on it. The bends of the river instead of being a disadvantage have been utilized to advantage have been permitted to him said, "Say Brown, do you intend to log all that fallow with one gang of men and one yoke of oxen?" "I do" was the reply. "Well you'll never do it, and I these points and cutting off the points by means of short pieces of canals running from 600 to 1,500 feet in length. Tenders are to be called for immediately and as

Single Tax.

To the Editor of The Warder.

Sir,-At the risk of tiring you with my poor scribble, I send you another communication on Single Tax. A friend has sent me some papers on the subject, and after careful perusal I find my objections to the seneme, "not wavering," but stronger than ever. The arguments used, and the benefits claimed, put one very much in mind of some advertiseused, and the benefits claimed, put one very much in mind of some advertisements of patent medicines; they cure altered of bearing your just burden of the together too much. SOUTH EMILY.

very much in mind of some advertise.

ments of patent medicines; they cure altogether too much. But seriously, suretogether too much. But seriously, suretogether too much. But seriously, suretogether too much. But seriously are the commonwealth. So far
together too much. But seriously are too much are to np to the dwelling of Mr. Frank Fee, knowledge of the subject of taxation can where a very enjoyable evening was be misled by such nonsense. Here is a Tuesday evening three sleigh loads drove ly no person with the least degree of HURRAH FOR DIAMOND DYES:

where a very enjoyable evening was spent. Among those present your correspondent noticed Mr. J. Fairbairn of Bobcaygeon, and Mr. H. Fee of Peterboro.

Bobcaygeon, and Mr. H. Fee of Peterboro. The same jolly party visited Mr. L. Wilson on Friday, where they enjoyed themselves by tripping the light fantastic should say it is hard to distinguish. Will som single taxer explain to me how On FRIDAY Mr. Short of Lindsay came a tax on the value of land of, say \$10, down in a hurry and carried off a prisoner. | would be paid any easier than a tax on It appears that the prisoner quarrelled the same land of \$10. To my unsophistwith some men not far from here and leated mind, it would, in either cases te finally settled the dispute by a blow with \$10, and would not make a cent's differ a poker. The trial takes place in Lindsay | ence to me whether you call it a tax on land value, on land irrespective of improvements or a tax on land improveship are much obliged to Major Sam. ments and stock; it would be \$10 just the a deed; not only on account of the nice Hughes for his assistance at the final same. But if you exempt half the property now taxed and still raise the same I happen to be a part of that other half, of his class in the legislative halls of the amount of taxes on the other half, and if TRENT VALLEY CANAL.—It is learned then it will be not \$10 but \$20. Is not country to safely guard his interests that the government has decided to adopt that as clear as the noonday? Well then there. Yours, SAM. SUDDABY. the river route as far as Nassau and to suppose the parties exempted are the wealthiest part of the community, then it

ed burden must fall on the poorer. But what I intended to more particularly refer to in this letter is the theory that "private ownership of land is wrong, immoral, and I don't know what not. disposition. One man gets a piece of land, and by diot of years of hard labor makes of it a beautiful and desirable prothe water power of the river utilized as perty; another man without enough sand of the river. However the late decision compelled to make his living on it, comes be utilized for canal purposes. Another should be divided up among the comimportant benefit that Peterboro will munity." I know a man who, when in tage by placing the looks and dams at handspike and went home. Now that soon as it is possible to do so the tenders single taxer. Land! There are millions will be let and the work commenced on of acres of land in Canada, dear friends, the construction.—Peterborough Review, which you can have for the taking, but Jan. 28. on them; but if some other man does go and undergo all the privations and dis-

comforts of the settler, and when those lands become valuable, then you grudge him the only remuneration he can ever have for his privation and toil, and call it the "nnearned incremer" of value. Unearned! forsooth! All the unearned in-crement of value there is in Canada would not pay one fourth of the municipal taxes for one year, and where would you get There are site of busy and thriving towns and cities in Cana a "'h not a

soul to prevent you occup, ... Go there

and test the truth of your theory of unearned increments of value. But I warn you before hand there is no generous and all too gullible a public there whose generosity will keep you in luxury deliver-ing lectures on the beauties of the "single tax" and the enormity of the crime of taking rent; at the same time advocating a scheme, the object of which is to condemn every farmer and land owner to simple certificate saying so and so, or such part of such a lot in certain concession and township to such a one would answer every purpose, and such certificate could be registered for 25 ets. I am well aware that if any lawyer should sondescend to read my scribble, he will jeer at my proposition; but deep down in his heart he knows I am right, and I have no doubt laughs in his sleeve every time he pockets his outrageous fee for writing but also on account of the foolishness of a people who are careful to keep enough

All Men

Young, old or middle aged, who find themselves, nervous, weak and exhausted, who are broken down from excess or over work, resulting in many of the following symptoms: Mental depression, premature old age, loss of vitality. loss of memory, bad dreams, dimness of sight, palpitation of the heart, emissions, lack of energy, pain in the kidneys, headaches, pimples on the face and body, itching or peculiar sepsation about scrotum wasting of the organs, dizzmess, specks before and spine, weak and flabby muscles, desire to sleep, failure to be rested by sleep, constipation, dullness of hearing loss of voice, desire for solitude, excitability of temper, sunken eyes, surrounded with LEADEN CIRCLES, oily looking skin, etc., are all symptoms of nervous debility that lead to insanity unless cared.
