THE MONITOR.

Our new improved all steel Monitor combined drills, sectional sections and cultivators, for 1895, are built upon the only correct principles. They are stronger and more durable than any in the market. They are the lightest that ever were constructed. They run lighter than any in the market. They lead all other combined drills in the latest essential improvements. They have the best feed run, the best grain distributor, the best cultivator in the world. They will run better in all conditions of the soil than any other combined machine invented.

Any farmer wanting a Combined Drill Sectional Seeder or Cultivator will make a mistake in buying any other than a Monitor. We solicit your orders at the Factory or through our Agents, D. M. HOULIHAN, Downeyville; H. FITZPATRICK, Lindsay; W. B. ROBINSON, Lindsay; SAUL MAGILL, Manvers; or GEO. McHUGH, Local General Agent, Lindsay. We shall be pleased to see you at our Office and Factory, where samples of all our machines can be inspected.
