BREAKFAST—SUPPER.

"By a thorough knowledge of the natural laws which govern the operations of digestion and nutrition, and by a careful application of the fine properties of well selected Cocoa, Mr. Epps has provided for our breakfast and supper a delicately flavoured beverage which may save us many heavy doctors' bills. It is by the judicious use of such articles of diet that a constitution may be gradually built up until strong enough to resist every tendency to disease. Hundreds of subtle maladies are floating around us ready to stack wherever there is a weak point. We may escape many a satal shaft by keeping ourselves well fortified with pure blood and a properly nourished frame."—

C.E. - CAN'T EXPUNCED. The "Pansy" is the christian endeavor flower. A Charlestown Mass. society is doing good work in missions. Three-fourths of its mem-bers have pledged a penny a day each, for

A Maryland society furnishes good litera-ture to barber shops, railroad stations, hotels

etc. A capital idea,
The duty of any social committee is to meet strangers, make them welcome, see that they become acquainted with others and are they become acquainted with others and are made to lose that feeling of strangeness, to see that everyone is made comfortable and happy.

The executive committee of the Victoria county union met on Saturday afternoon last in the Y M C. A. rooms, Lindsey. The work of the coming year was discussed and planned. In accordance with the wish of the late convention, that the annual convention be held in September instead of February, it was de-cided that the next convention be held in September 1896.

A Change in Tone.

THE STAND TAKEN BY DOCTORS ON THE KENT CASE BEGINNING TO WEAKEN,

OTTAWA, April 1-It is safe to say that the statement made under oath by Mr. G. H. Kent, of this city, with regard to his wonderful recovery from Bright's disease through the agency of Dodd's Kidney Pills, has definitely decided the question as to whether he owes his recovery to this valuable medicine, and has been accepted as a final settlement of the debate. While, however, there is now no ob jection rated to the statement, there is still a strong feeling in the city and neighborhood with regard to the cure, and those who at first combatted the idea as incredible are new loud in their expressions of astonishment that what has been considered an incurable disease should succumb so quickly to a remedy, and in their praise of the remedy itself.—85-1.

The bride was ably assisted by Miss Mary Fallis, while the groom was equally well supported by Mr. J. Vance of Cavan. GENTLEMEN,—I write to inform you that for years I had been troubled with Dyspepsia, and having tried other medicines which entirely failed, I at last found relief and cure in Burdook Bleod Bitters, of which I took two bottles, the result being a perfect cure. Although only a young lad I had been troubled with Dyspepsia for four or five years, but I can say now that B.B. does its work faithfully in the worst kind of Dyspepsia, and has fully in the worst kind of Dyspepsia, and has proved itself the only cure for me.
