To this is added the Hypophosphites of Lime and Soda, which aid in the digestion of the Oil and increase materially the potency of both. It is a remarkable flesh-producer. the train was brought to a standstill, although
such an action is almost unprecedented, and

Mrs Richards, of Hastings, and the old lady
and gentleman were very severely shaken up
by the accident. They were both assisted to
the nearest house and word was sent back to

DEATH OF J. L. WINTERS. - After weeks of illness from some undetermined cause, James L. Winters one of Lindsay's oldest and most respected citizens breathed his last on Thursday at noon. The methodist church loses a life-long and consistent member. The Home Circle also mourns one of the charter members; while the loyal orange association of Canada had no more loyal member, or one more ardently devoted to the cause than the deceased In politics Mr. Winters was a staunch member of the liberal-conservative party Few men will be more missed than the deceased. A tull obituary notice will appear in another issue.

Since I first began to ride a wheel, which is several years ago, I have been subject to more or less chafing and irritation. Sometimes when heated the itching inside my legs would be so savere that I would feel compelled to rego riding for a time.
