## The Victoria Warder

IRONDALE. Special to The Warder.

As intimated in my last, the Sons of Temperance division here gave their concert last Friday. It was a grand success, the speeches, recitations and and reading were all of the best and exceedingly well rendered. Mr. and Mrs. Banning sang of the joys of a pater "rocking the baby" which the mater took the air and Mies Emily Munt, of Kinmount, gave a Jan. 3 Paid expression. thrilling temperance reading, and her sister, Miss Frances, the popular teacher of the White lake school, gave an exhibition of club swinging which was much

Rumours are out regarding the reopening of a band of that mysterous organization the "P.P.A." in this neighborhood very shortly.

ELDER SHIER of the latter day saints has been amongst us preaching, and there is talk of an increase of membership in his flock.

Health and strength carry us through peril. A perfectly strong man with rich, pure blood, has nothing to fear from germs. He may breathe in the bacilli of sonsumption with impunity. If there is a weak spot where the germs may find an entrance to the tissues, then the trouble begins. Disease germs propagate with lightning-like rapidity. Once in the blood, the only way to get rid of them is to ikill them. This is what Dr. Pierce's Golden Medical Discovery is for. It purifies the blood. That means that it kills the germs, but that is only part of what it does. It assists digestion by stimulating the nutrition; purifies and enriches the blood and so supplies the tissues with the food they need. It builds up strong, healthy flesh and puts the whole bedy into a disease-resisting state. Send 31 one cent stamps to cover cost of mailing only, and get his great book, The People's Common Sense Medical Adviser, absolutely FREE. Address. World's Dispeneary Medical Association, No. 663 Main street Buffalo, N.Y.

LAXTON. DIGBY AND LONGFORD. Council Proceedings.—The municipal council met at the town hall, Head Lake, Laxton, on December 16th, pursuant to call from the reeve. Members all present, minutes of former meeting were

read and confirmed. Moved by Mr. Campbell seconded by Mr. Butterworth, that the reeve give his May order on the treasurer in favor of Mr. Henry Davey, tor the sum of eight doilars, being the amount of his bill for repairs on fourth concession line. - Carried.

Moved by Mr. Davey, seconded by Mr. Butterworth, that the bill of Mr. George Cooper for plastering and repairing the town hall be paid and the reeve give his order for the same, namely \$15.-Carried. Moved by Mr. Campbell, seconded by Mr. Greer, that the road work performed by Mr. Geo. Benson for St lot 2, con. 1, Laxion, be paid and the reeve give his order for \$2. - Carried.

Moved by Mr. Campbell, seconded by Mr. Batterworth, that the municipal councillors and officers of the municipality get their pay to date.—Carried. WM.
MAXWELL, clerk.

VALENTIA.

· REVIVAL SERVICES. -The Revs. Bell and Cragg, of Little Britain, have been conducting revival services for the past several weeks, with the result that their labor has been gloriously blessed. The people of Valentia have, almost without an exception, taken that all important step and have contessed before men that they will henceforth live to promote Christ and his cause.

PERSONALS.—Miss Lena Scott has gone to spend her Xmas holida; s with triends sister, Mrs. Swain, are visiting friends at Cambray and Toronto.

OYSTER SUPPER.—Please bear in mind the oyster supper and entertainment to be held at Mr. Wm. Casey's on Friday. Dac. 27, under the auspices of the C.O O.F. the best of talent has been procured.

Don't fail to attend. XMAS.—There were no weddings here on Xmas., consequently times were dull. A number attended the "Ye old folks concert" at Little Britain on Xmas night.

GENTLEMEN.—We have used Yellow Oil as a family remedy for Bronchitis with every success. My husband also used it for a stiff finger that he thought he would never be able to use again, but it is now as well as ever through using Hegyard's Yellow Oil.

COLUMN. 'For God and Hom and Native Land.'

W. C. T. U.

Hapvy New Year to the Read ers of the W.U.T.U. Column. Christ With Us.

(An Ode to the New Year.) With gladness we'll crown thee Bright happy New Year,
For through thee the Lord our portion
will be. If we trust in His merit, And pray for his spirit,

By watching and praying His glory we'll We may frown in the hollows, Or smile on the highlands, While Christ is our shapherd we never should fear, Though troubles are nearing

And many are fearing The manifold sorrows of the incomis year. We may pass through great trials, Still each of us borrows Far more than the Fates intended we If we only pray for it And do not abbor it

The Lord will grant to us each gift that is good. To the weary and laden He will freely give rest. Then east off all burdens and keep

By the hand He will lead us From danger He'll shield us If we only trust in Him to guard and to Who still would be humble Who still would be brave, If the sound of success or woe he coul

hear?
Then praise the Lord for it
We cannot forstell it, The song or the eigh of the incoming year With Christ as Redeemer And Christ as our Saviour, We can face all the ills that to us may

We know ere the dawning
Of next New Year's morning.
That many now living shall sleep in the

W. G. WOODS,

DEAR SIS,—I have much pleasure in stating that the Gurney Oxford Hot Water System which you set up in my house in the autumn of 1894 was fully what you represented it to be, and gave entire satisfaction. There was no dust, no smake, no gas, no leakage, and the air seemed pleasant and agreeable to breathe, so that no one had a sough in my house during the entire winter. Notwithstanding the severity of last winter our house was so comfortable that we had to go outside to find if the day was coid, while the quantity of coal consumed was only a little more than we had burned in former whiters in one large doal atove with less rooms to be heated. The Fucnace was easily managed, and with ordinary care the temperature of the house could be kept at any degree desired. I can heastly recommend this system of he ingressive of the house could be kept at any degree desired. I can heastly recommend this system of he ingressive only one who during our Canadian winter desires to enjoy what I can best describe as "Solid Cemfort," (Sgd). THOS. W. POOLE M.D., Lindsay.

Give W. G. WOODS the contract of making your life a comfort
