In winter when Canadians spend a large portion of their time indoors and can: t have the same variety of fresh food as in summer and fall, indigestion and dyspepsia affiliet a majority. "If anybody will tell me that dyspepsia in it; advanced stages is perfectly curable," said a Toronto merchant, "I will take his word. Personally I run no risks. As soon as I feel a sense of weight in the stomach, after a meal, I know that my blood is sluggish in circulation. In my business I cannot take much exercise, and I fight the first sign of stomach troubles with Scott's Sarsaparilla. It has never failed me, and has saved me many a doctor's bill."

Scott's Sarsaparilla possesses medicinal properties superior to all other so-called sarsaparillas made. As a remedy for indigestion, rheumatism, pimples, scrofula and all blood diseases, physicians state that its equal was never known. Sold at per bottle, of all dealers.

How to Reduce Your Weight.

When you are dieting to reduce flesh you must eat stale bread, and give up potatoes, rice, beets, corn, peas, beans. milk, cream, all sweets, cocos, indeed, anything which even suggests sugar or starch. Dry toast without butter, tea without either milk or sugar, rare meat with no fat, and, as far as possible, no vegetables at all should form your diet. Take all the exercise you can in the way of walking; go twice a week to a Russian bath (where possible) and invariably go to bed hungry. Any body brave enough to live up to these laws will certainly lose flesh. - December Ladies' Home Journal.
