FRIDAY, FEBRUARY 7, 1896

Special to The Warder.

MR. SIDNEY BURTON, Rosedale, wishes to emphatically deny rumors to the effect that he was at one time sent to a joke—though a serious one. In case of the story going any further the party or parties circulating it will be prosecuted to the fullest extent of the law. Any person wishing to know Mr Burton's character can apply to Herbert Wallace, supt. G.T R., Montreal, or people in Lorneville, Sebright, etc.

FLEET WOOD.

Special to The Warder THERE is a young gentleman visits this place weekly who is an ornament to our village. He is a perfect gentleman in very attribute, shape and form, possessed of a first class education, and well posted on all the highest branches of literature, H s musical calents cannot be surpassed. His personal appearance is majestic and herculean. All the rest of the aspirants and loafers hide their diminuitve heads at his appearance. His gracetal move ments are the admiration of the villagers; is possessed of good sound sense, but, better than all he is a pure, sincere Christian unadultrated. We hope he may attain his object, and be blessed during the remainder of his days on this earth before he takes his flight aloft to the realms of bliss.

INGOLDSBY.

Seems as if consumption always picks out the brightest and best. Fully one-sixth of all the deaths that occur in the world are caused by consumption. Many things were once considered impossible. It would be strange if medical science did not make some progress The telegraph and telephone, phonograph the electric light-all were once impossible, and once it was impossible to cure consumption. That was before the time of Dr. Pierce's Golden Medical Discovery. Taken according to directions, this standard remedy will cure 98 per cent, of all cases of consump tion. Consumption is caused and fostered by impurity in the blood. It is cured by purity and richness in the blood—surely, certainly cured by the "Medical Discovery". It builds up solid healthy flesh and vigorous strength.

Dr. Pierce's Common Sense Medical Adviser, a 1008 page medical work, profuse! illustrated, will be sent free on receipt of 8 one cent stamps to cover postage only. Address, World's D pensary Medical Association, Buffalo, N.Y.
