FINGERBOARD

Special to The Warbler: A New sawing-machine has been erected by Mr. J. H. Moore. It has been tried and gives excellent satisfaction.

It will cut any kind of a stick from three feet through to the size of a half-inch diameter in early will be on the first.

Quits a number of our young folks who disappeared last Tuesday evening, as the weather prevented a sleigh ride going to the social at Valentin's.

Mr. Harrel Frise is out two nights a week attending to important business. The work ought to be completed soon.

PERSONALS.—Mr. T. H. King and his eldest son spent Monday and Tuesday last week in Toronto.

Mr. Robert Frise, after spending a few weeks with his father, Mr. James Frise, has returned to the prairie province.

We are glad to hear that Mr. W. Deane has recovered from a severe attack of grippe.

Mrs. R. Frise and son visited friends at Oakwood last Saturday and Sunday.

Miss A. Moore spent Sunday with friends at Sonny's.

Mr. E. C. Frise spent the first stormy days of this month with his friends at Pleasant Point.

Miss A. McLean is the possessor of a fine young mare for the handsome sum of \$85. This shows that a good beast still claims a good price.

The royal mail has been somewhat delayed by the recent storms.

FACE BLOTCHES

are particularly disagreeable because they are noticeable and apt to cause comment. Purify the blood with Scott's Sarsaparilla and remove them.

All this class of diseases, as well as blood-purification and bone decay, are usually of scrofulous origin.

Scrofula

and scrofulous complaints of all kinds, blemishes, pimples, blood eruptions, biliousness, dyspepsia, indigestion, heart disease, syphilis, or rheumatic troubles cannot be warded off in the spring if the system is not put in good order.

A Boy's Life Saved

"One day my little boy, aged 7, got a fall and hurt his knee. Inflammation of the knee joint set in and the decay of the bone of the leg rapidly followed. Doctors removed over a hundred pieces of decayed bone, but the process of decomposition continued. All attempts to stop it failed. The boy had but a few days' life before him according to all human expectations.

Mr. Denham, druggist, Petrolia, advised me to try Scott's Sarsaparilla, I did so, and not only saved but completely cured my boy."—JOSEPH DUNCAN, farmer, Lambton County, Ont.

Doubters may write either Mr. Duncan or Geo. Denham, druggist, Petrolia, P.O., for verification of these facts, then they will immediately purchase a bottle of

SCOTT'S SARSAPARILLA

All dealers \$1.00 per large bottle. Small teaspoonful a dose. Scott's Skin Body clears the skin.

Children Cry for Fitcher's Castoria.

ROSEDALE. Special to The Warbler: It has been very cold this week. Bleaching is good. Quite a number of farmers are drawing wood, supplying the works here. There will be a lot of wood used for the dredge next summer.

A survey of the boys that are working on or Mr. Kennedy on the T. V. canal, west to Cobocok on Tuesday the 4th inst., to attend a royal arch meeting. Among those who went we noticed Mr. Thomas Johnson, Ed. Wood, E. Pardee, and Thomas Suddaby. They were met by the Cobocok brethren, when two brothers were advanced to that degree.

Mr. Jackson kindly provided supper, which all took freely of. Mr. Beatty was honored by exhibiting his boys up and bring for them safety home.

Dishonest Dealers!

A Special Feature Ad pted in Their Business.

YOU TRUSTINGLY ASK FOR PAINE'S CELERY COMPOUND.

The Dealer Often Gives You a Common Substitute.

As the sun rises in the east to brighten and enliven the day so the mighty force of Paine's Celery Compound spreads from day to day giving comfort and gladness to all weary, sick and diseased people.

All popular and fast selling articles are on the market and are often dishonestly sold on the non-paying customer, who asks for nature's great healer, Paine's Celery Compound.

There are, unfortunately, too many dealers who work this miserable deception, as noted by a greedy desire for large profits. The imitations and worthless medicines pay such immense profits, that Paine's Celery Compound is hid in the background, simply because it does not pay.

It is positively cruel to deceive the trusting and confiding customer. The sick and suffering who ask for Paine's Celery Compound, knowing it to be the best, and their only hope of cure, should never be treated in such a heartless manner.

Every honest purchaser of Paine's Celery Compound but examine the bottle and outer carton, he will see he will certainly avoid deception. The genuine Paine's Celery Compound, "the kind that cures," has the "water of celery," and the name "Paine's," all others are frauds and deceivers.

KINMOUNT.

Special to The Warbler: The entertainment given by the local True Blues last Friday the 6th, was a huge success in every particular. Over 150 took tea, which was served in the orange hall and I must say that the cooking was of a very high class.

The concert was given in Morrison's hall, which was filled to its utmost capacity. The speakers present were Messrs. R. J. McLaughlin, J. E. Dalmerer and Rev. Jos. Maat of the Baptist church, the principal topic being the separate school question.

Major Hughes, M.P., who was expected to address the meeting was unable to be present, owing to the probable division in the house of commons, to the remedial bill. Those who took part in the concert were as follows: Miss A. Graham, Miss Margaret Maat, Wilson, L. Coldwell, B. Seward, J. Annie Mills, O. Wall street, Messrs. H. Hopkins, Geo. Horton, Will. Brown, Leonard Brown, Rev. E. Seward, Sem. Suddaby, Chas. McMahon, Albert McMahon, A. Train, J. O. Train, R. J. Graham, Fred Wilson. Mr. Geo. Train acted as chairman to the satisfaction of all present.

The proceeds amounting to about \$80, will be applied to the funds of the formation of a new school, lately organized by the lodge. The meeting was closed by all joining in singing the National anthem.

The local True Blues of Kinmount, take this opportunity of thanking their kind friends who so willingly assisted them to make their entertainment a success.

WITH deepest sorrow we this week chronicle the death of Mr. John King, brother's eldest child, Kathleen, aged four years. She suffered very much during her short illness of two days with a severe attack of bronchitis and croup. Much sympathy is felt for the bereaved parents in their sad affliction.

THINGS THAT PEOPLE ARE SAYING.—Bill Frise is a dandy dandy dude with his high beaver and claw-hammer coat. That Amos says you're not in it. That Len Brown says a capital dandy. That the True Blues concert was the best of the season. That the electric light company has died a natural death. That Albert Mac would like to be a school inspector.

PENELON.

CAMBRAY, Feb. 24th, 1896. COUNCIL PROCEEDINGS.—The council met pursuant to a adjournment. Members all present; the report in the chair. Minutes of last meeting read and confirmed. Barzon & Sons and the Canadian historical society were read, also a petition from David Brokenshire and six others, praying for a change in boundaries of school sections 5 and 8, was read, and Mr. Curries presented a petition from J. Wasting Your Life.

FULLER OF PHYSICAL AND MENTAL FORCE—TO ADD TO YOUR LIFE—THE DODD'S KIDNEY PILLS.

What a pathetic sigh how often it has been said: "Well, then, I suppose I must let go my life on life."

To fathers and mothers of unweaned children this is tragic.

But whence cometh such a timely help? It death is preventable, here is the answer! By scientific and successful kidney treatment—by using Dodd's Kidney Pills.

Hundreds write to thank us and tell of their cure, but none so true as that Dodd's Kidney Pills have ever failed.—34-1.

BURNED RIVER.

Special to The Warbler: TRUS BLUE TEA.—The True Blues of Kinmount honored your correspondent with an invitation to their tea on the 6th inst. Early in the evening numerous groups of ladies and gentlemen were seen climbing the steep little hill near the south end of the bridge on Clinton street and making their way to the orange hall, where a sumptuous tea was served.

After the tea an adjournment was made to Morrison's hall on 1st street where by the time provided for the concert, (8 o'clock), the large crowd had gathered. It could do justice to the entertainment, so will not attempt it, though I cannot refrain from mentioning Miss Graham's excellent performance at the organ. The first speaker called was Mr. R. J. McLaughlin, barrister, etc., of Lindsay. Having very frequently seen Mr. McLaughlin mentioned in a local paper published in the north riding of Victoria, as an orator of the first rank, I went to the concert to witness his performance in hearing him. He commenced by administering a liberal dose of taffy to the ladies, commencing with praise of their cooking and then went on to say that Canada was safe so long as the lady portion of the population maintained their high standard; and I thought he was going to say in the ordinary art, but he branched off here and told us how the movement for purity of Canada was being carried on in political life, and then we got a mild dose of "corruption in high places," with a vague intimation that the speaker was the champion of political purity. That his speech was ready to clean the Augean stables of political chicanery and corruption. We were told pretty plainly that we must not vote for men who were responsible for or instrumental in the erection of any government for the erection of any government; this we learned is the most pernicious system imaginable. Then after giving due attention to corruption in high places, he of course proceeded to discuss the Manitoba school case, and it was really laughable to hear him "all these schools are protestant schools" etc. No need of repeating it; anyone who has read Mr. Laurier's speeches in the past knows the whole of it by heart. But as it is not dignified to hear a man pretending to have understanding, repeat the exact words of another like a school boy repeating his lesson?

Mr. J. E. Dalmerer was there, too, and was in good humor with himself and everyone else, especially Mr. McLaughlin. One would almost imagine they were in partnership—perhaps they are. Mr. J. E. Dalmerer is a clergyman, and he is to take the honor and the other the salary.

Rev. J. Maat was the last speaker and whatever may be said of his speech no one would say he was not sincere. He at least is not in favor of separate schools. I was wishing some of the men at Ottawa could have heard him and realize the fact that there are thousands more like him. One thing is certain, that whether they agree with him or not they must respect his sincerity. The tea was altogether a success. I was glad to learn that financially it was more so than was expected.

Mrs. Gilmour, who is with her daughter, Mrs. D. Chalmers, to very ill. Her friends have no hope of her recovery.

Mrs. M. Smith, jr., is just recovering from a very severe influenza, and a great many in this neighborhood are suffering from colds. Mr. Thos. English, son of Mr. Robert English, is laid up with rheumatism of a very severe type.

STORM.—We had a very severe snow storm on Saturday, the 7th inst. Roads are all blocked with snow drifts.

section No. 9 be granted, and that a by-law be introduced to amend the same. Moved in amendment by Mr. Curries, seconded by Mr. McGe, that the petition of Mr. D. Brokenshire and others praying for an alteration in the boundaries of school sections 5 and 8 be not entertained. The motion carried, and by a law was read, passed, signed and sealed.

Moved by Mr. Hall, seconded by Mr. McGe, that Mr. E. C. O'Connell be paid \$5 on account of purchase of road across north west corner of lot 30 in sec. 2.—Carried.

Moved by Mr. Palmer, seconded by Mr. McGe, that Mr. J. Curries be appointed to sell the timber on the road all allowance between lots 15 and 16, on sec. 4.—Carried.

A by-law to divide the township roads into divisions and to appoint overseers of statute labor therefor was read and passed.

Moved by Mr. McGe, seconded by Mr. Curries, that the following persons be given aid out of the poor rate: Mary M. Fadyen, Sarah McFadyen, Mrs. S. Quinlan and M. S. Wells, \$5 each; E. F. L. House, \$10.—Carried.

Dalmerer, 12 1/2 tons gravel, \$2.80.—Carried.

The council then adjourned to meet at 8 o'clock at court of revision.
