Special to The Warder.

LETTER OF CONDOLENCE.—To Bro. Anson Buston:—We, your brothers and sisters of Tory Hill div. No. 117 sons of temperance, feel it our duty to tender to you our heartfelt condolence in your sad bereavement in the death of your dear wife and our beloved sister. In her we feel that we have lost an earnest and zealous member from the circle of our noble order; also we feel for you and that in her you have lost a faithful and loving wife, but we trust that your lost and ours is her gain, and commend you and your two dear children to the Great Patriarch above, trusting in the two solutions and ours is her gain, and commend you and your two dear children to the Great Patriarch above, trusting in the Heaven of rest, where sorrow and parting are unknown. And now we must say farewell, dear sister, along farewell, for we shall meet no more till we be raised with Christ to reign on Zion's Heavenly shore. Signed on behalf of div.,

The report of the town solicitor re a suit against the town was taken as read and referred to the finance committee. Mr. Touchburn, chairman of the street and bridge commettee, presented the report of that committee. Tenders had been asked for laying sidewalk and drawing gravel from the corporation pit. Three tenders had been received for building sidewalks, one at 30 cts. new and o'd and two at 25 cts new and 30 cts. old; for drawing gravel 30 and 60 cts, per load according to the distance from the pit. As the tenders for sidewalk building were no lower than under the present system, and for draawing gravel higher, the committee recommender that no change be made.

After reeve Ray had mildly rebuked the chairman for not giving longer time for tendering, the report was adopted.

Mr. Sootheran, chairman, read the report of the town property committee. It was recommended that the market clerk make his Royal Highness Francis Albert Augustus Charles Emmanuel, Prince Consort, Duke of Saxony, Prince of Coburg and Gotha, who was born 26th August, 1819, and died partition wall in the council chamber be taken down, the westerly wall plastered, an addi-tional window to be put in the west wall, ceiling boarded same as in the market room, and the wood work painted all of which was estimated by the committee would cost about \$150, and the committee be authorized to
