A. H. Christiansen, writing from the Clifton House, Niagara Falls, says: "I owe you more than I can ever pay. For ten years I suffered the tortures of the damned with rheumatism. Father had it befo e me, and I believe it is an hereditary disease. My knee joints would get inflamed and if I was out in any "weather" I was sure to be laid up, which to a travelling man is a calamity. In a score of Canadian towns local doctors me, some giving relief, others ead that Sarsaparilla was a rheum the cure, and I asked a druggist for "a bottle of the best Sarsaparilla on the ma ket." He gave me Scott's, remarking that it was an improvement on all others, and that he could honestly recommend it. I have taken four bottles, and am as free from pain as a man can hope to be. I was out in a rainstorm two days ago and never felt a twinge. As I said bettere, to Scott's Sarsaparilla I owe

My skin became yellow, my bowels became inactive, my liver was lumpy and hard, my eyes became inflamed, my appetite was gone, and the days and nights passed in unhappiness and restlessness

For some months I tried doctors' and patent medicines of every description, but received no benefit. Being advised by a friend to try B.B.B., I am glad to have the opportunity of testifying to the marvellous result. After using three bottles I felt much better, and when the fifth bottle was finished I enjoyed health in the greatest degree, and have done so from that day up to date. Therefore I have much pleasure in recommending B. B.B. to all poor suffering humanity who suffer from impure blood, which is the beginning and seat of all diseases. J.
